[57] **CLAIM**

The ornamental design for a rubber band ball, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a rubber band ball of the present invention, it being understood that since the rubber band ball is generally spherical, the view is the same from all sides; and,

FIG. 2 is a top view of the rubber band ball of FIG. 1, it being understood that since the rubber band dispenser toy is generally spherical, the bottom view is the same as the top view.
