[57] **CLAIM**

The ornamental design for a bottle, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a bottle illustrating one embodiment of my new design, the left side, the rear, and right side views appearing the same as the front view except for the slight difference that would exist with respect to the thread shown at the bottle neck;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a front elevational view of a second embodiment of my new design, the left side, rear and right side views appearing the same as the front view except for the slight difference that would exist with respect to the thread shown at the bottle neck;

FIG. 5 is a top plan view thereof;

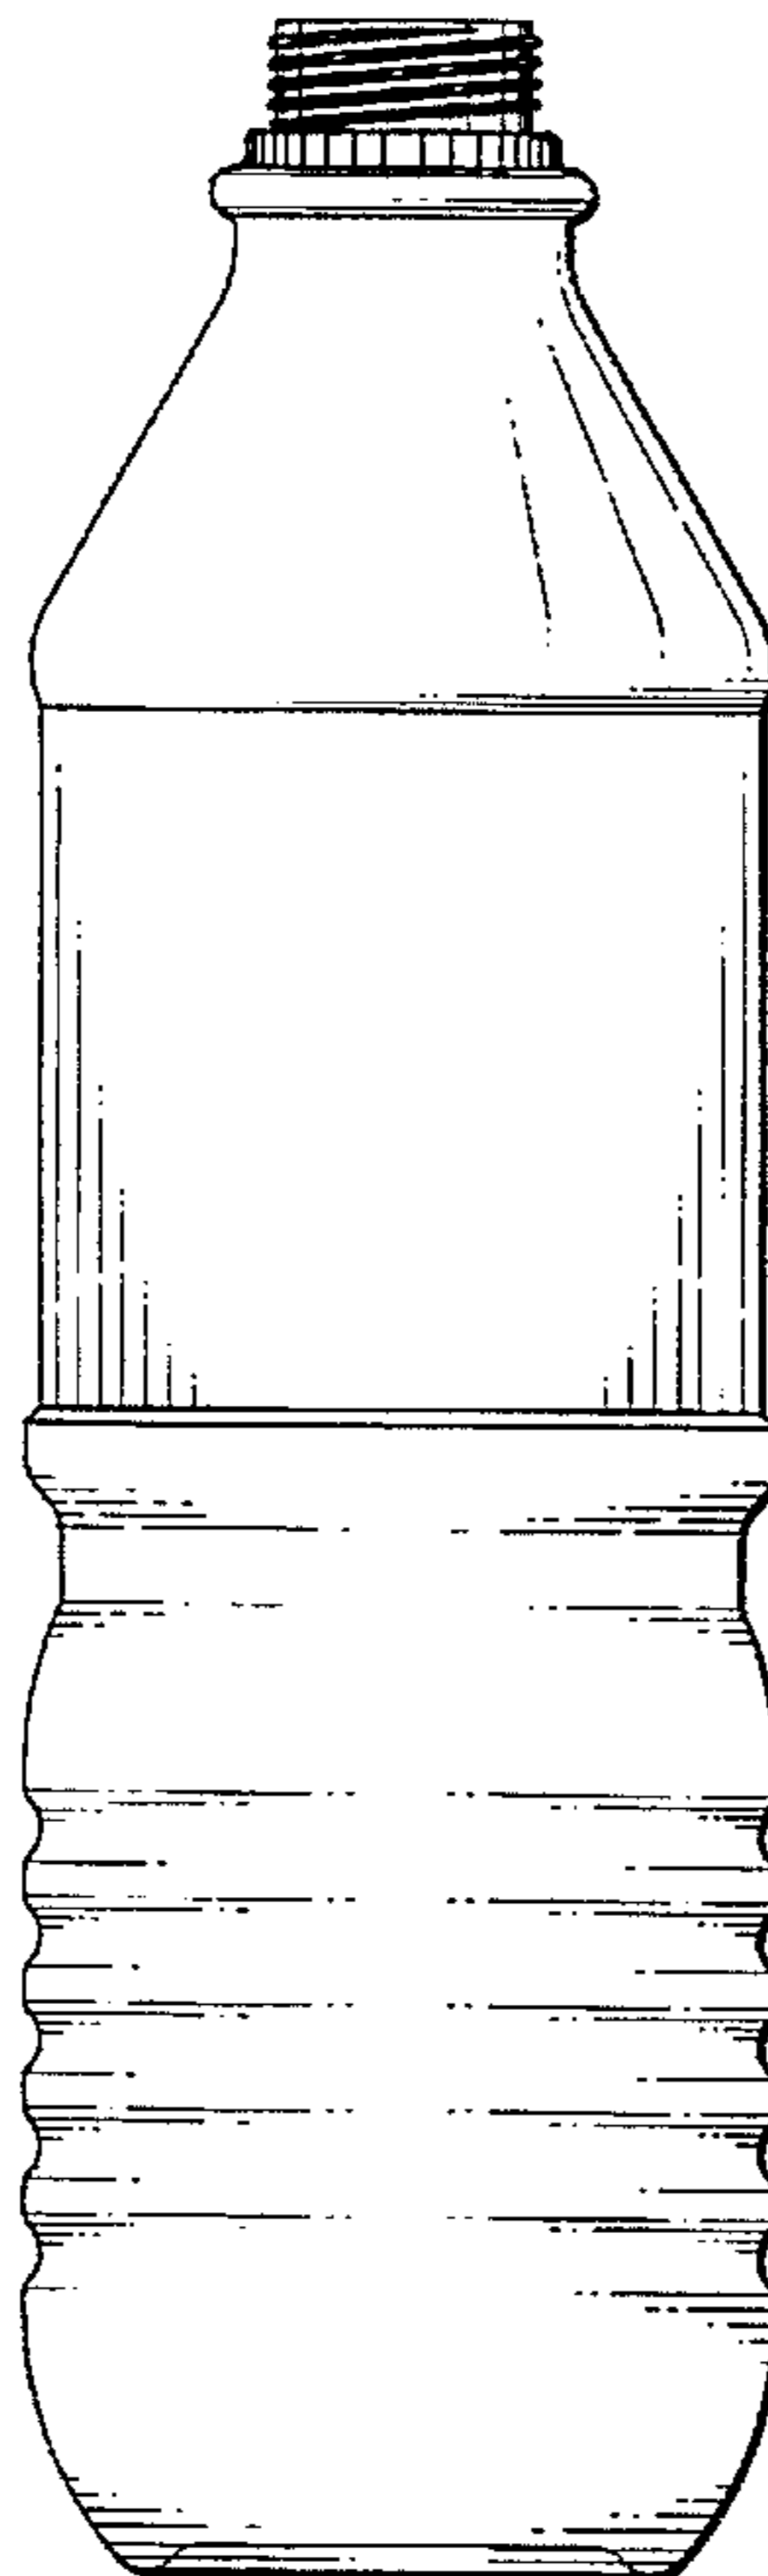

FIG. 6 is a bottom plan view thereof;

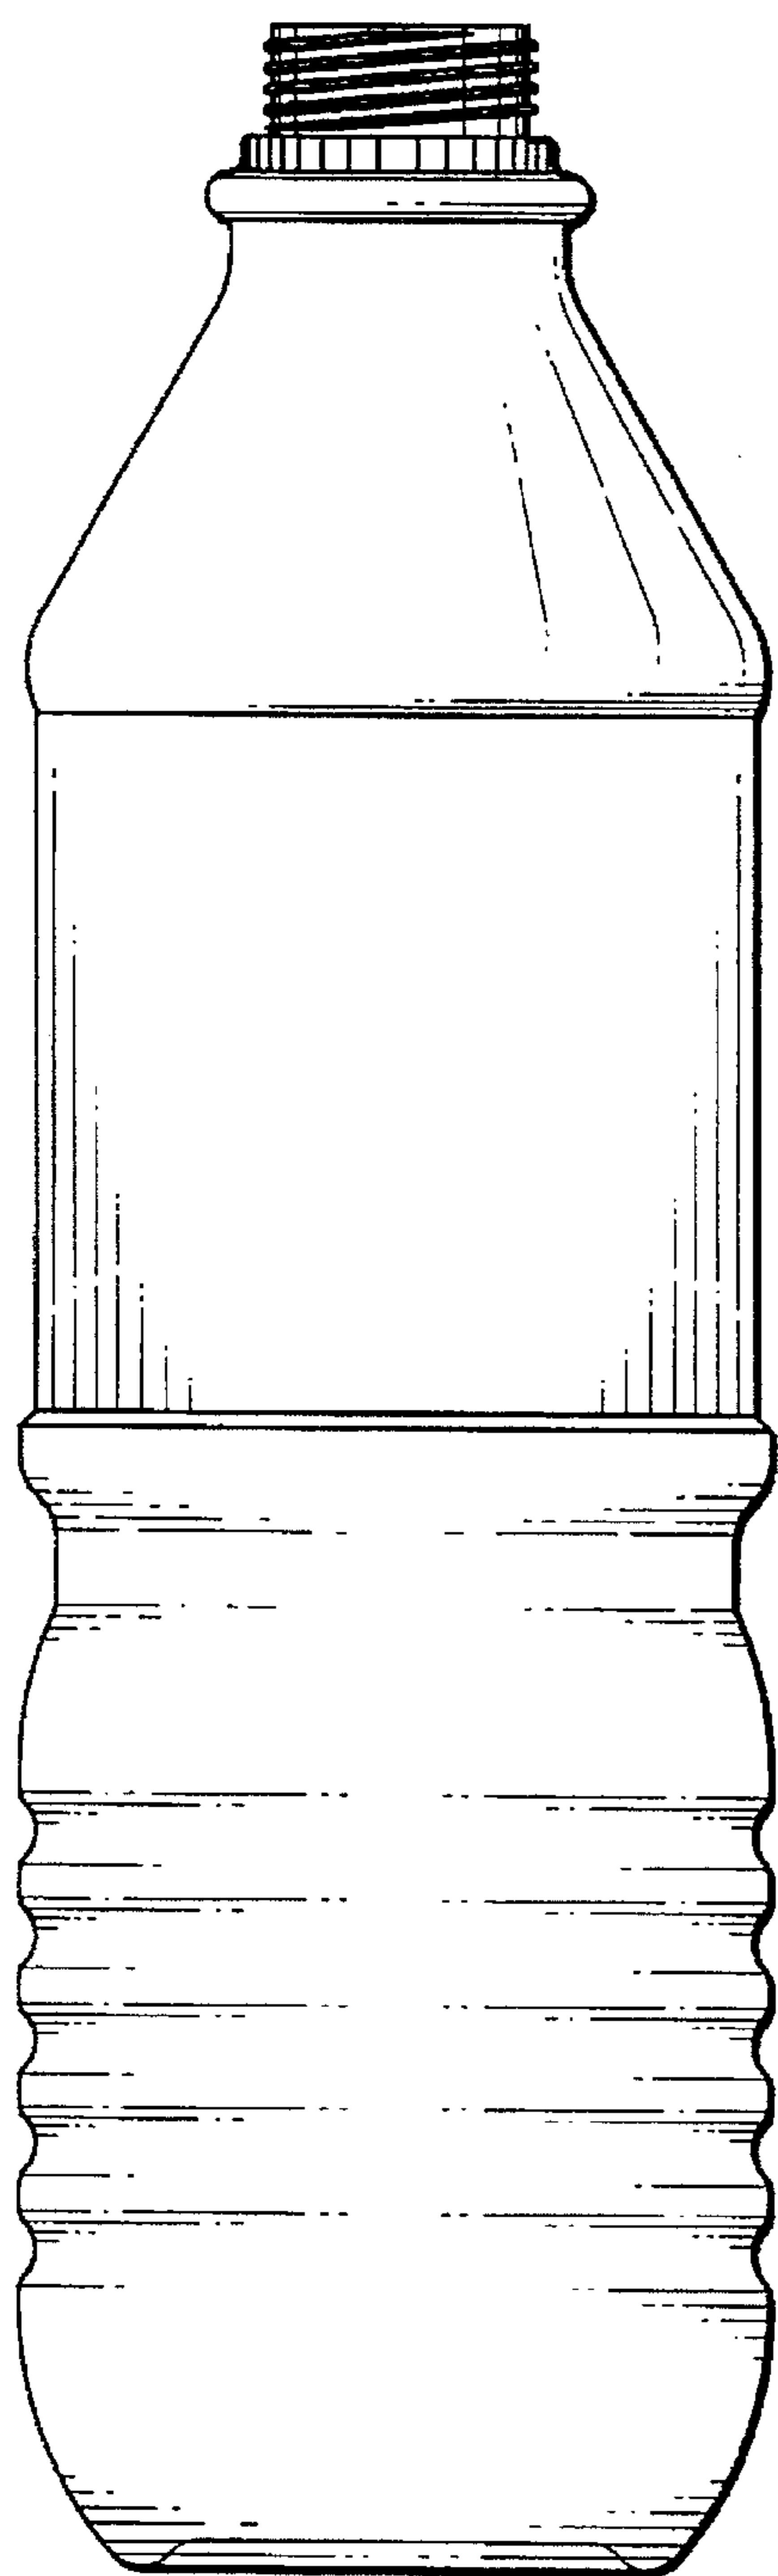

FIG. 7 is a front elevational view of a third embodiment of my new design, which view is the same as the left side, rear and right side views except for the slight difference that would exist with respect to the thread shown at the bottle neck;

FIG. 8 is a top plan view thereof; and,

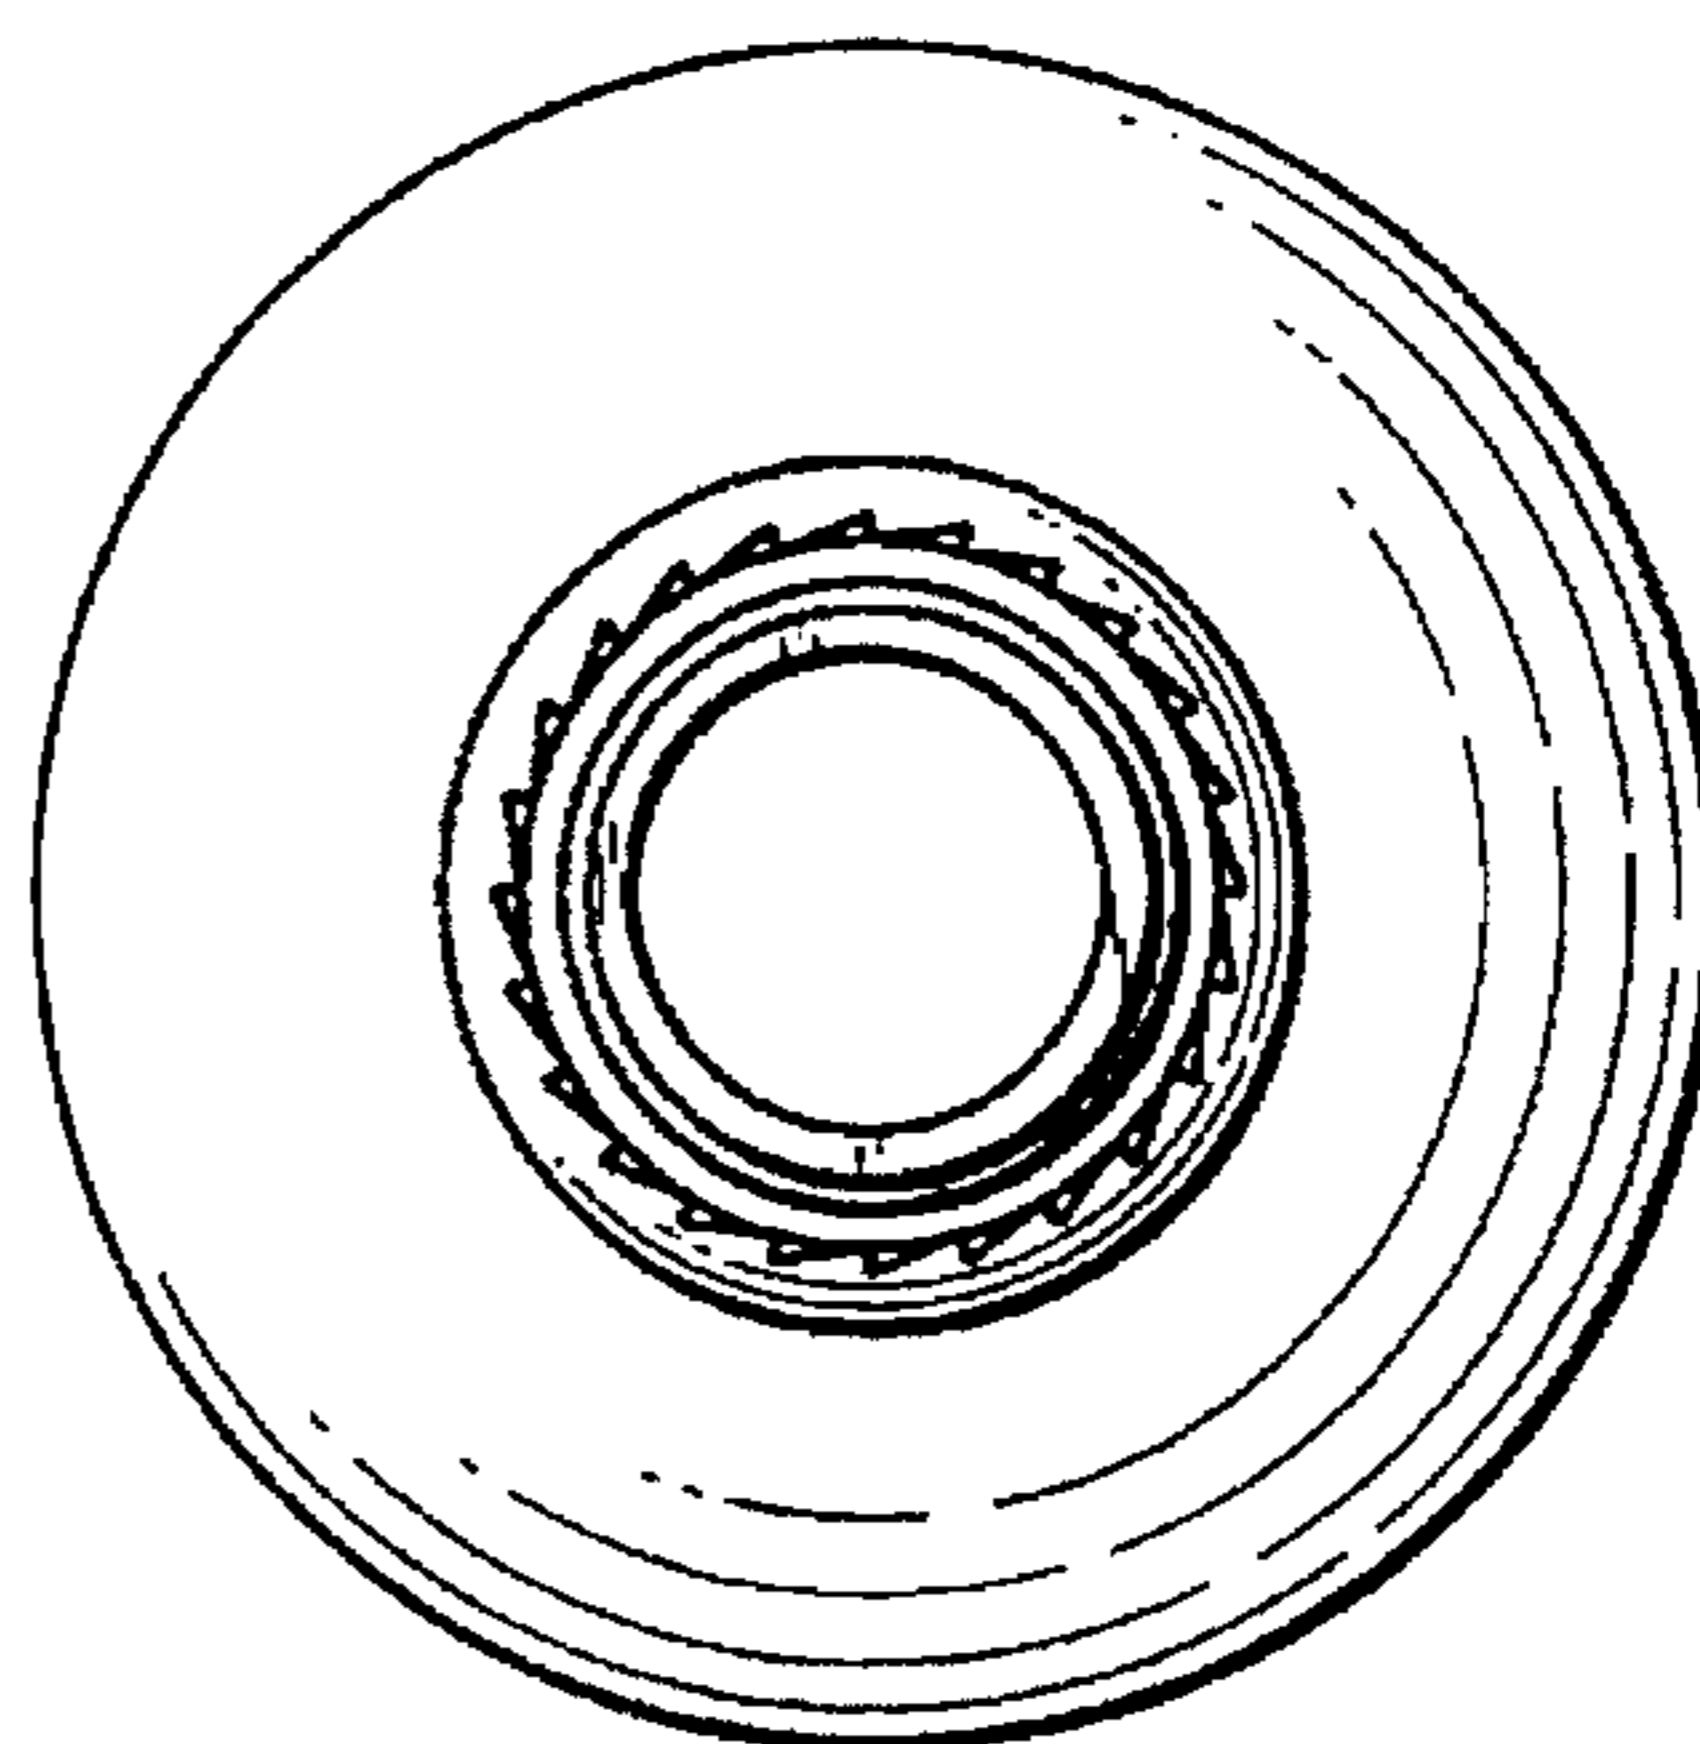

FIG. 9 is a bottom plan view thereof.
