[57] **CLAIM**

The ornamental design for a stylet for a bone marrow biopsy needle, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a stylet of this invention; FIG. 2 is an elevational view of the needle of FIG. 1 when viewed from either the front or back; FIG. 3 is a side elevational view of the needle of FIG. 1 when viewed from either the right or left; FIG. 4 is a top view of the needle of FIG. 1; FIG. 5 is a bottom view of the stylet of FIG. 1 and of the stylet of FIG. 6; FIG. 6 is a perspective view of a second embodiment of a stylet showing our new design; FIG. 7 is a side elevational view of the needle of FIG. 6 when viewed from either the front or back; FIG. 8 is a side elevational view of the stylet of FIG. 6 when viewed from either the right or from the left; and, FIG. 9 is a top view of the stylet of FIG. 6.
