[57] **CLAIM**

The ornamental design of the tab portion of a roof shingle, as shown and described.

DESCRIPTION

FIG. 1 is a face view of the tab portion of a roof shingle design;

FIG. 2 is a second embodiment of the shingle of FIG. 1; and,

FIG. 3 is a third embodiment of the shingle of FIG. 1. The broken line showing of the top portion of the shingle is for illustrative purposes only and forms no part of the claimed design.

The rear view of the shingle is plain, and the shingle itself is substantially planar, being of standard thickness for a single-piece shingle.
