[57] **CLAIM**

The ornamental design for a protector for a canine chest and belly, as shown and described.

**DESCRIPTION**

FIG. 1 is an isometric view of a protector for a canine chest and belly showing my new design;

FIG. 2 is a side elevation view thereof, the opposite side being a mirror image of the illustrated side;

FIG. 3 is a top plan view thereof;

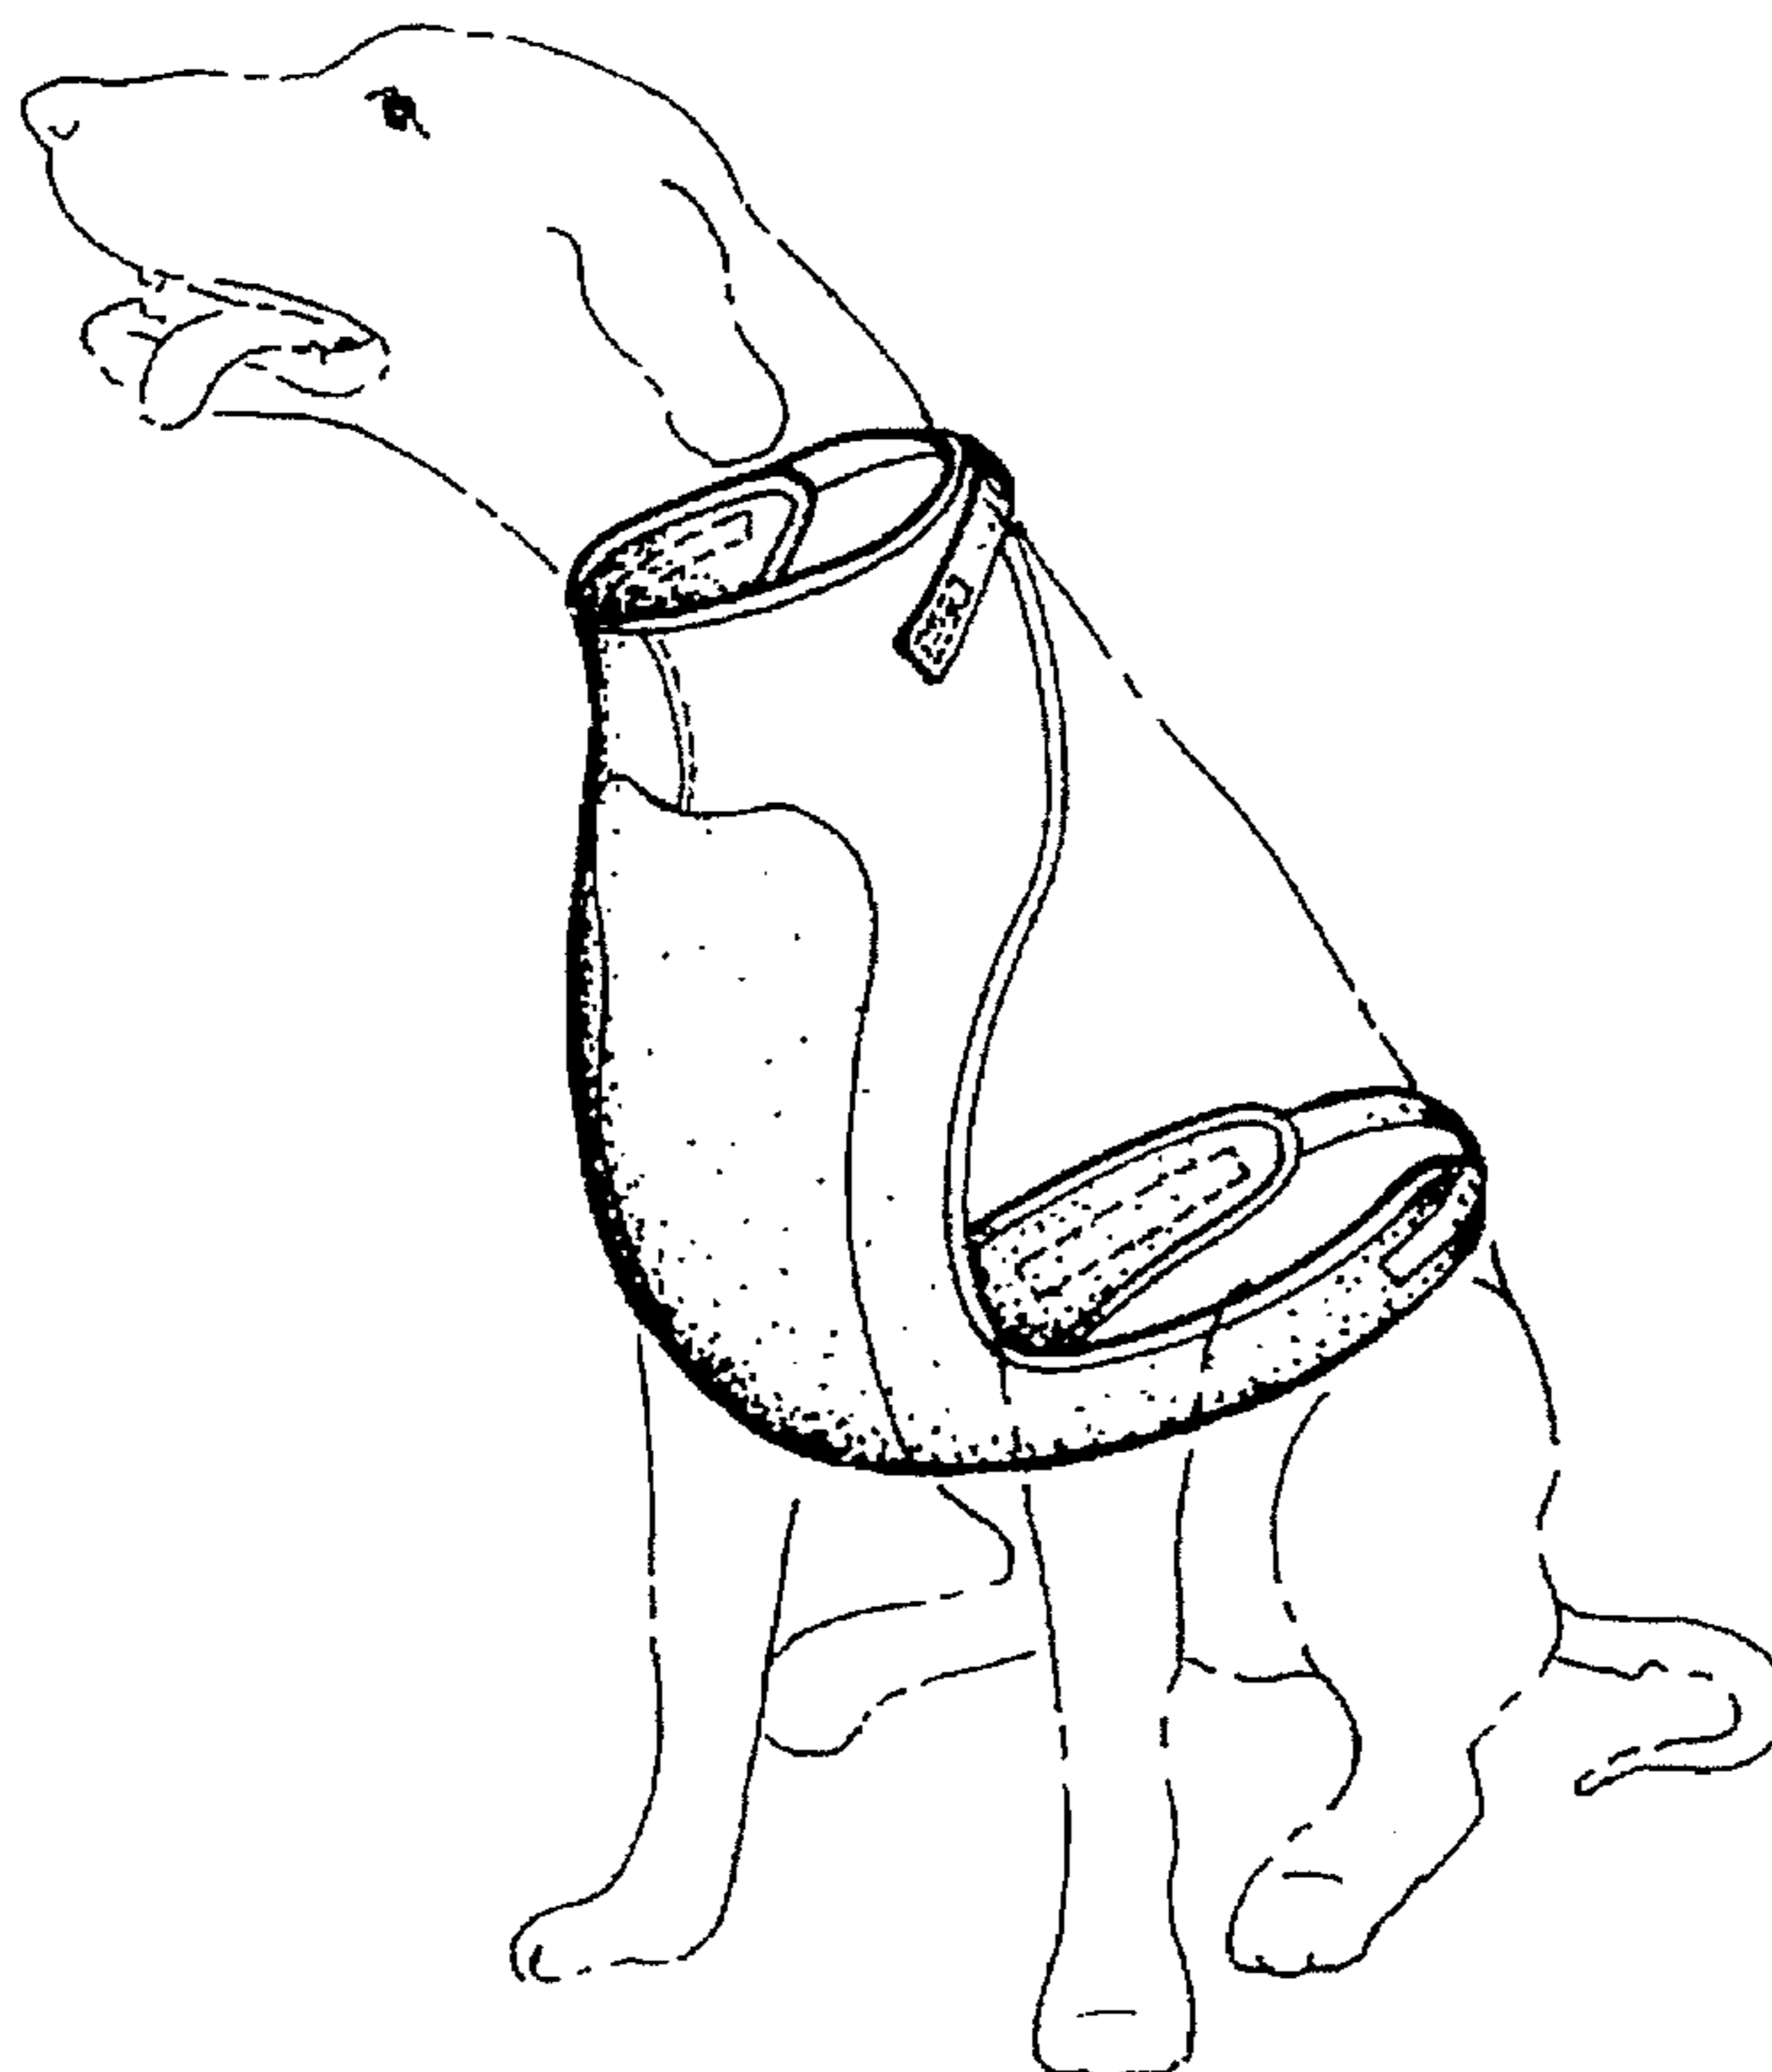

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a rear elevation view thereof; and,

FIG. 6 is a front elevation view thereof.

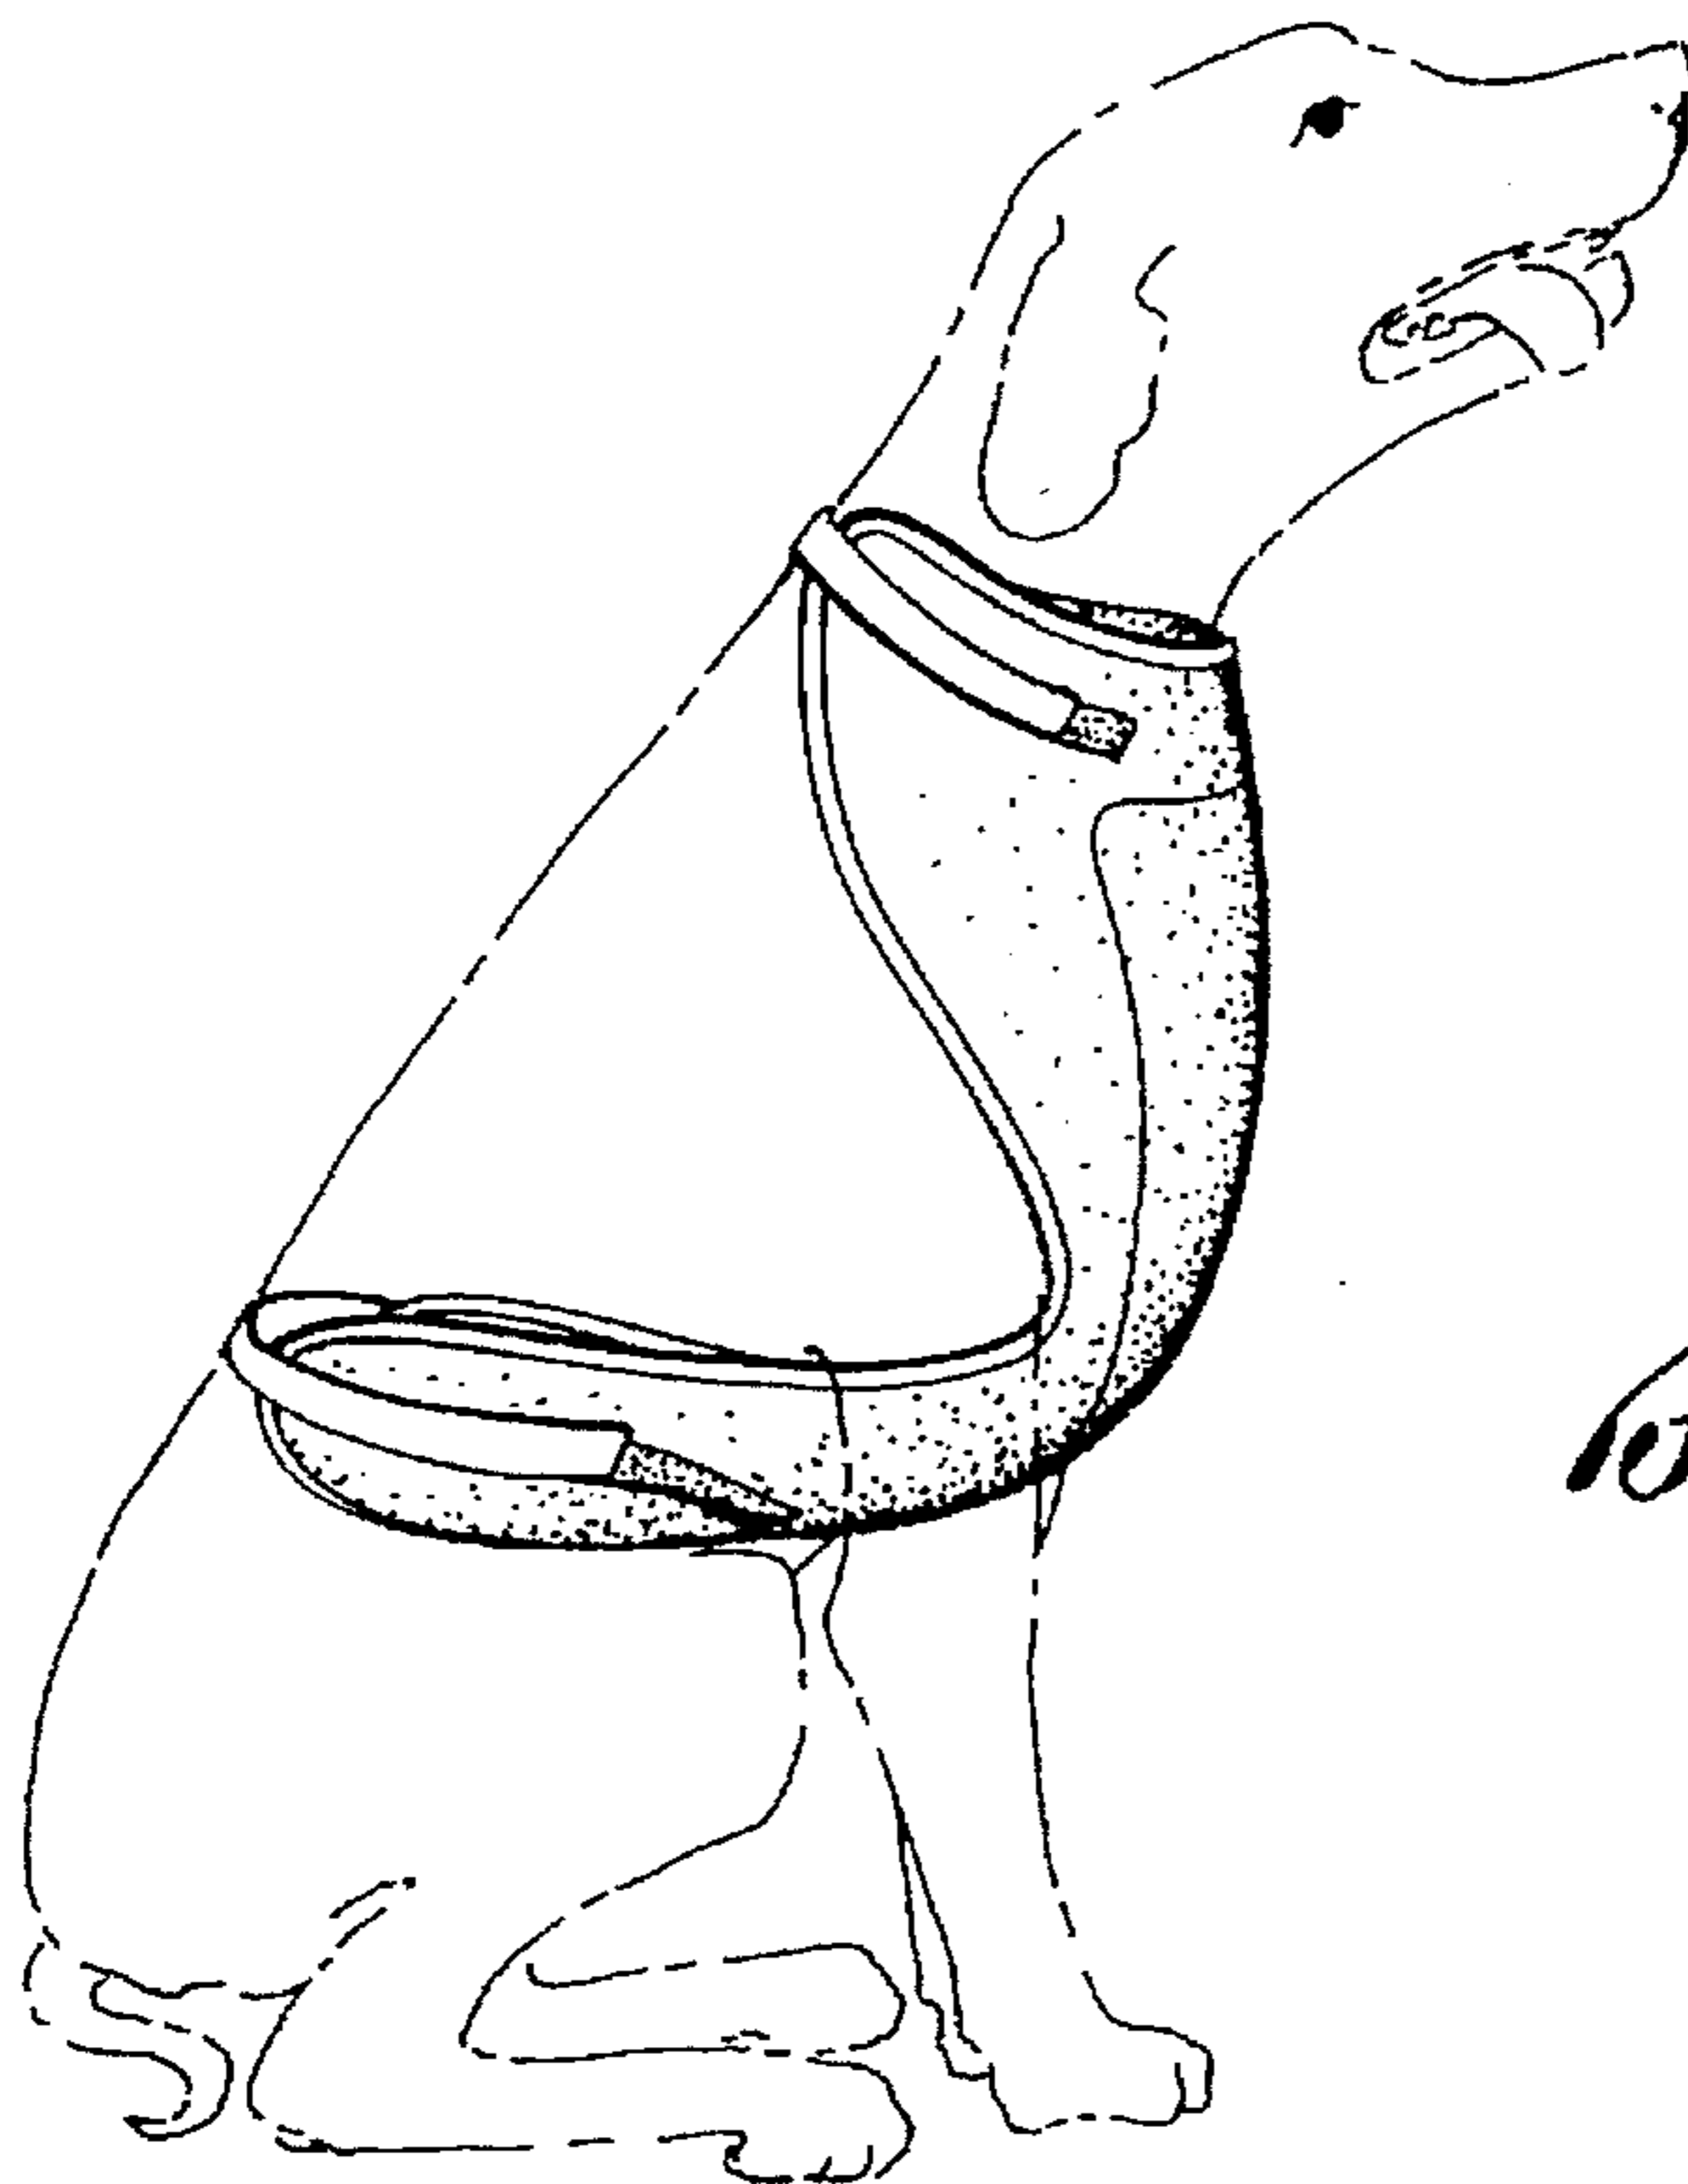

The broken lines are for purposes of illustration only and form no part of the claimed design. The dashed lines in FIGS. 4 and 5 represent conventional stitching. It is to be understood that the material is of a conventional thickness.
