[57] **CLAIM**

The ornamental design for a computer numerical control operated tool grinding system, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a computer numerical control operated tool grinding system;  
FIG. 2 is a side elevational view of a computer numerical control operated tool grinding system;  
FIG. 3 is a front elevational view of a computer numerical control operated tool grinding system;  
FIG. 4 is an opposite side elevational view of a computer numerical control operated tool grinding system;  
FIG. 5 is a rear elevational view of a computer numerical control operated tool grinding system; and,  
FIG. 6 is a top plan view thereof.  
The broken line showing is for illustrative purposes only and forms no part of the claimed design.
