[57] CLAIM

The ornamental design for a connector and spacer for window false muntins, as shown and described.

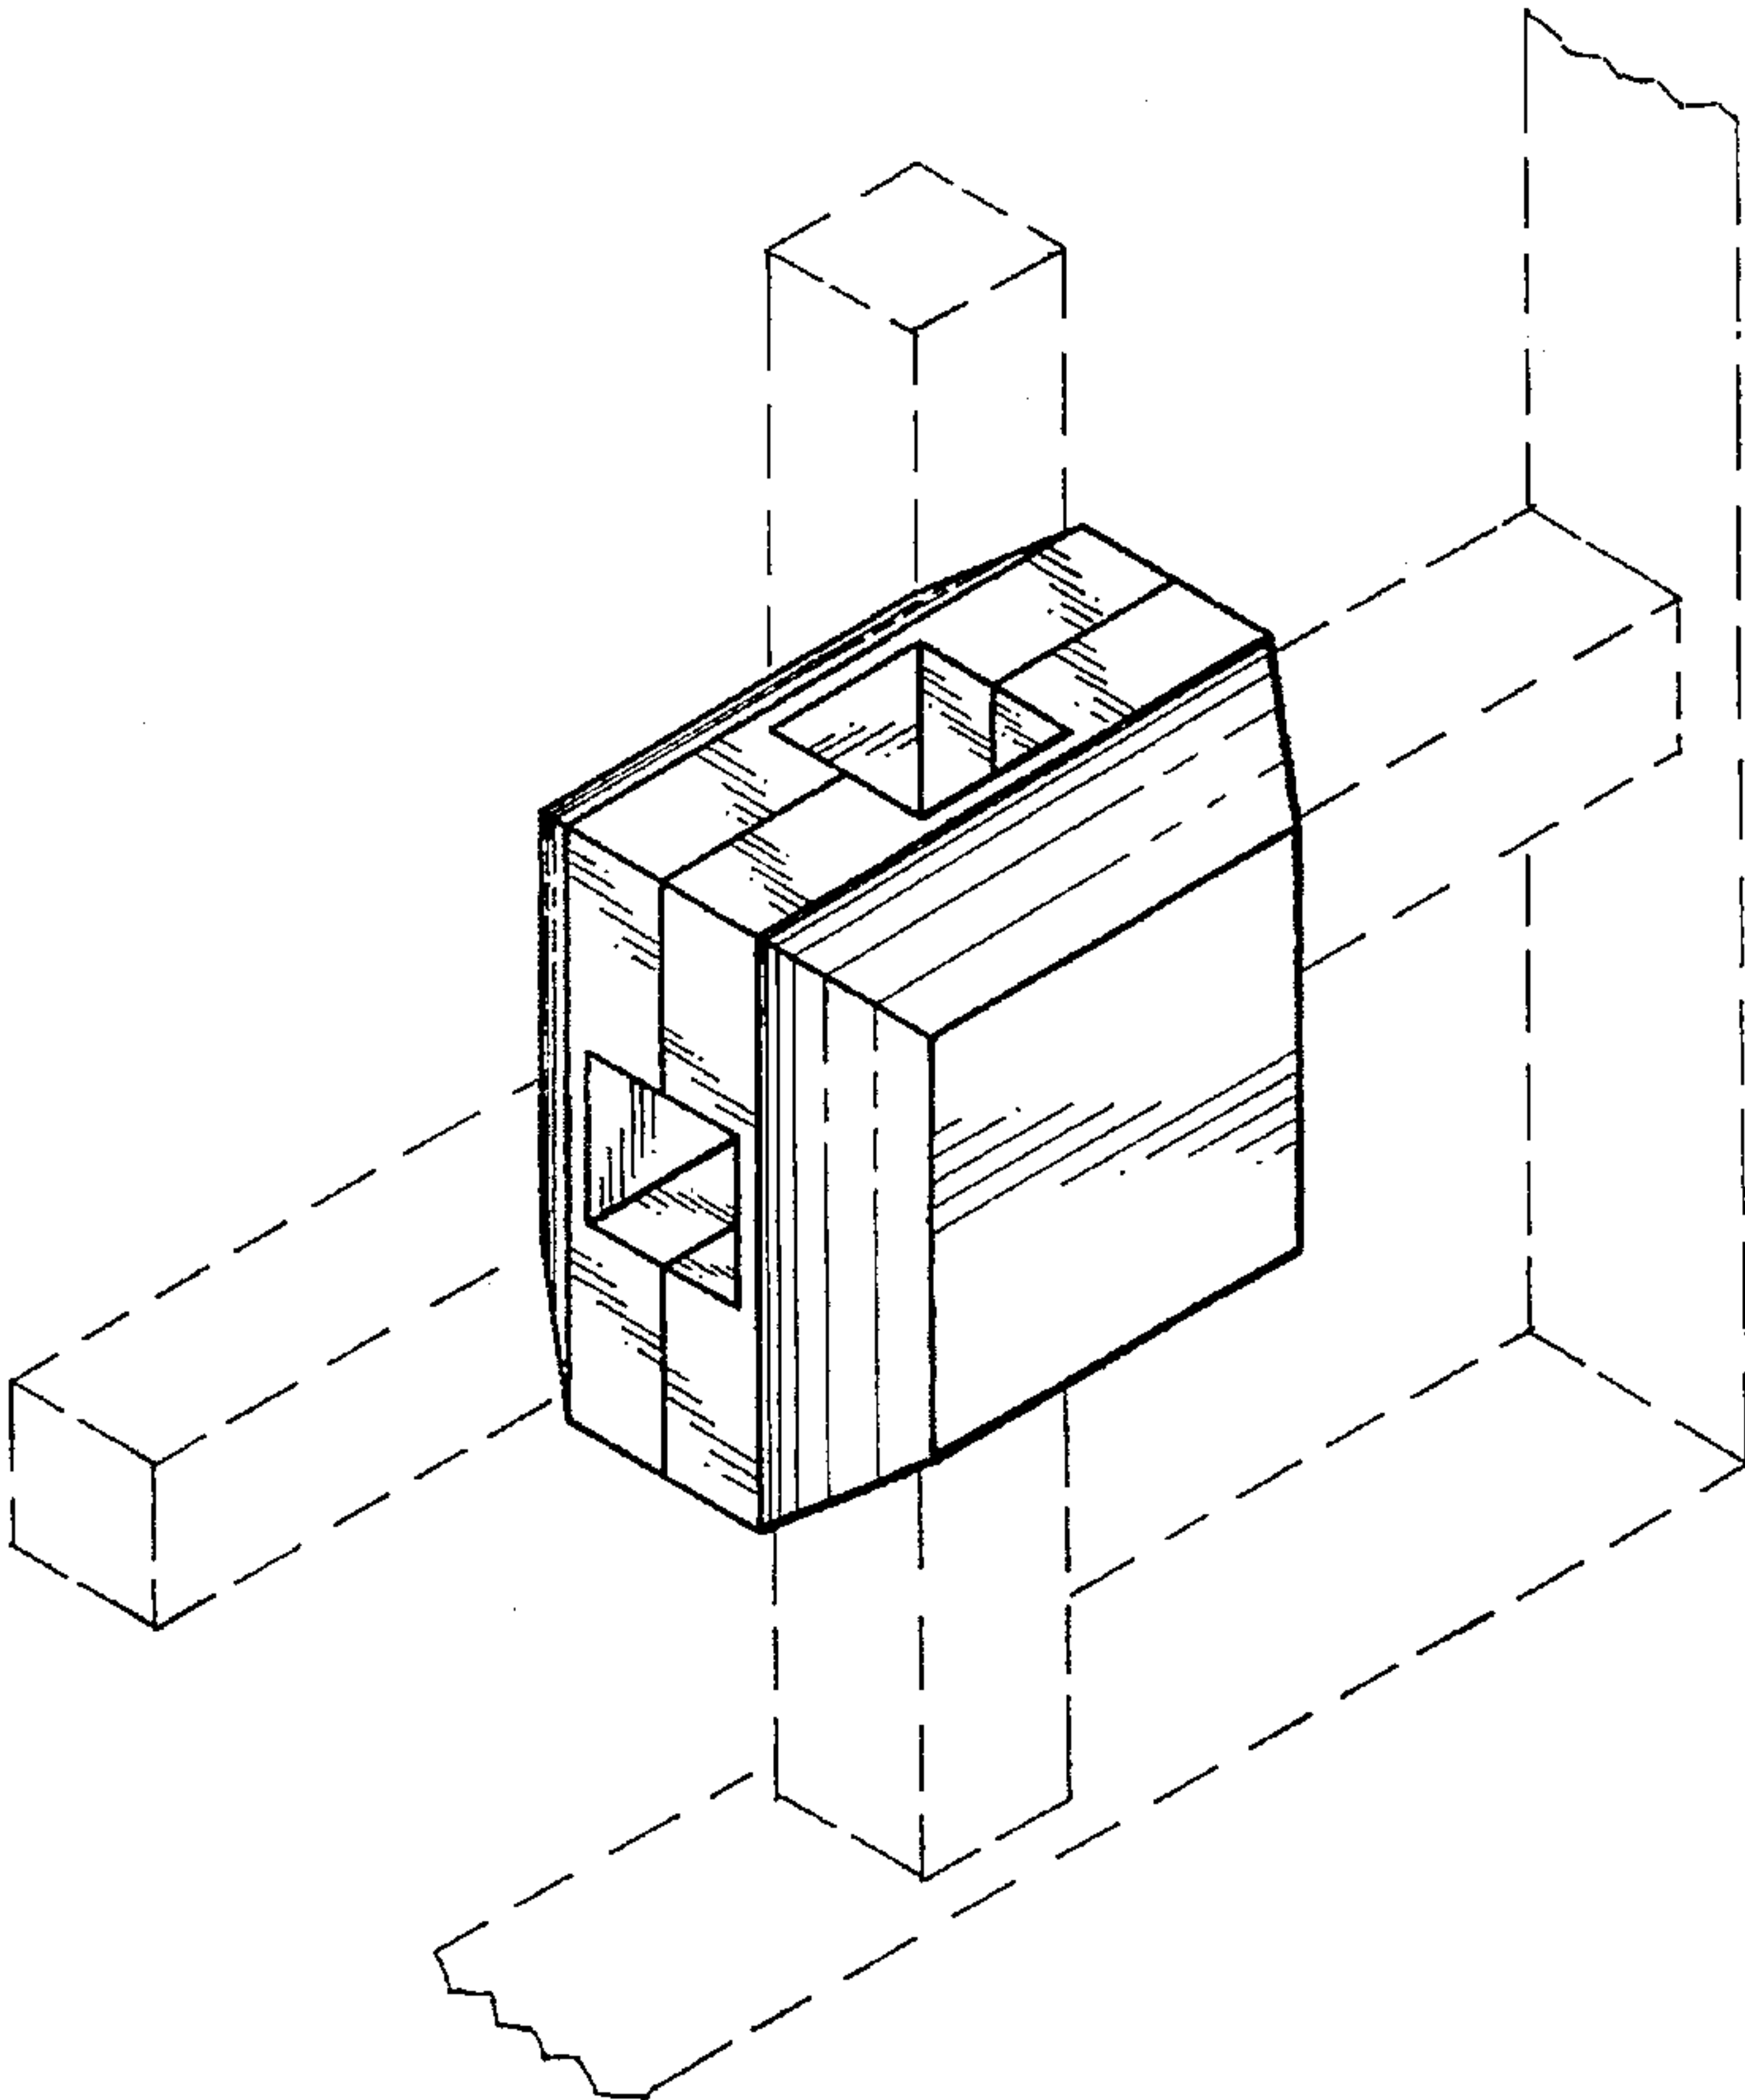

DESCRIPTION

FIG. 1 is an environmental perspective view of a connector and spacer for window false muntins showing my new design, with the portion of the figure shown in broken lines representing a portion of a window frame and false muntins and forming no part of the claimed design;
FIG. 2 is a front elevational view thereof, with the rear elevation being a mirror image;
FIG. 3 is a top plan view thereof, with the bottom plan and left and right side elevations being identical; and,
FIG. 4 is an exploding top plan view thereof of the individual components forming the present connector design.
