[57] **CLAIM**

The ornamental design for an overmold and housing for an interface cable, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing a top, right, and front side of a preferred embodiment of our new design for an overmold and housing for an interface cable in accordance with the present invention;

FIG. 2 is a left side elevational view thereof;

FIG. 3 is a rear elevational view thereof; and,

FIG. 4 is a bottom plan view thereof.

Portions of the drawings shown in phantom are provided for reference only and form no part of the design.
