[57] **CLAIM**

The ornamental design for an “handle for an axillary crutch”, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a handle for an axillary crutch showing our new design;
FIG. 2 is front elevational view thereof;
FIG. 3 is a rear elevational view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a left side elevational view thereof;
FIG. 6 is a top plan view thereof; and,
FIG. 7 is a bottom plan view thereof.

The broken line showing of a crutch shaft and axillary support is for illustrative purposes only and forms no part of the claimed design.
