[57] **CLAIM**

The ornamental design for a novelty curio, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a novelty curio showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a left side elevational view thereof;

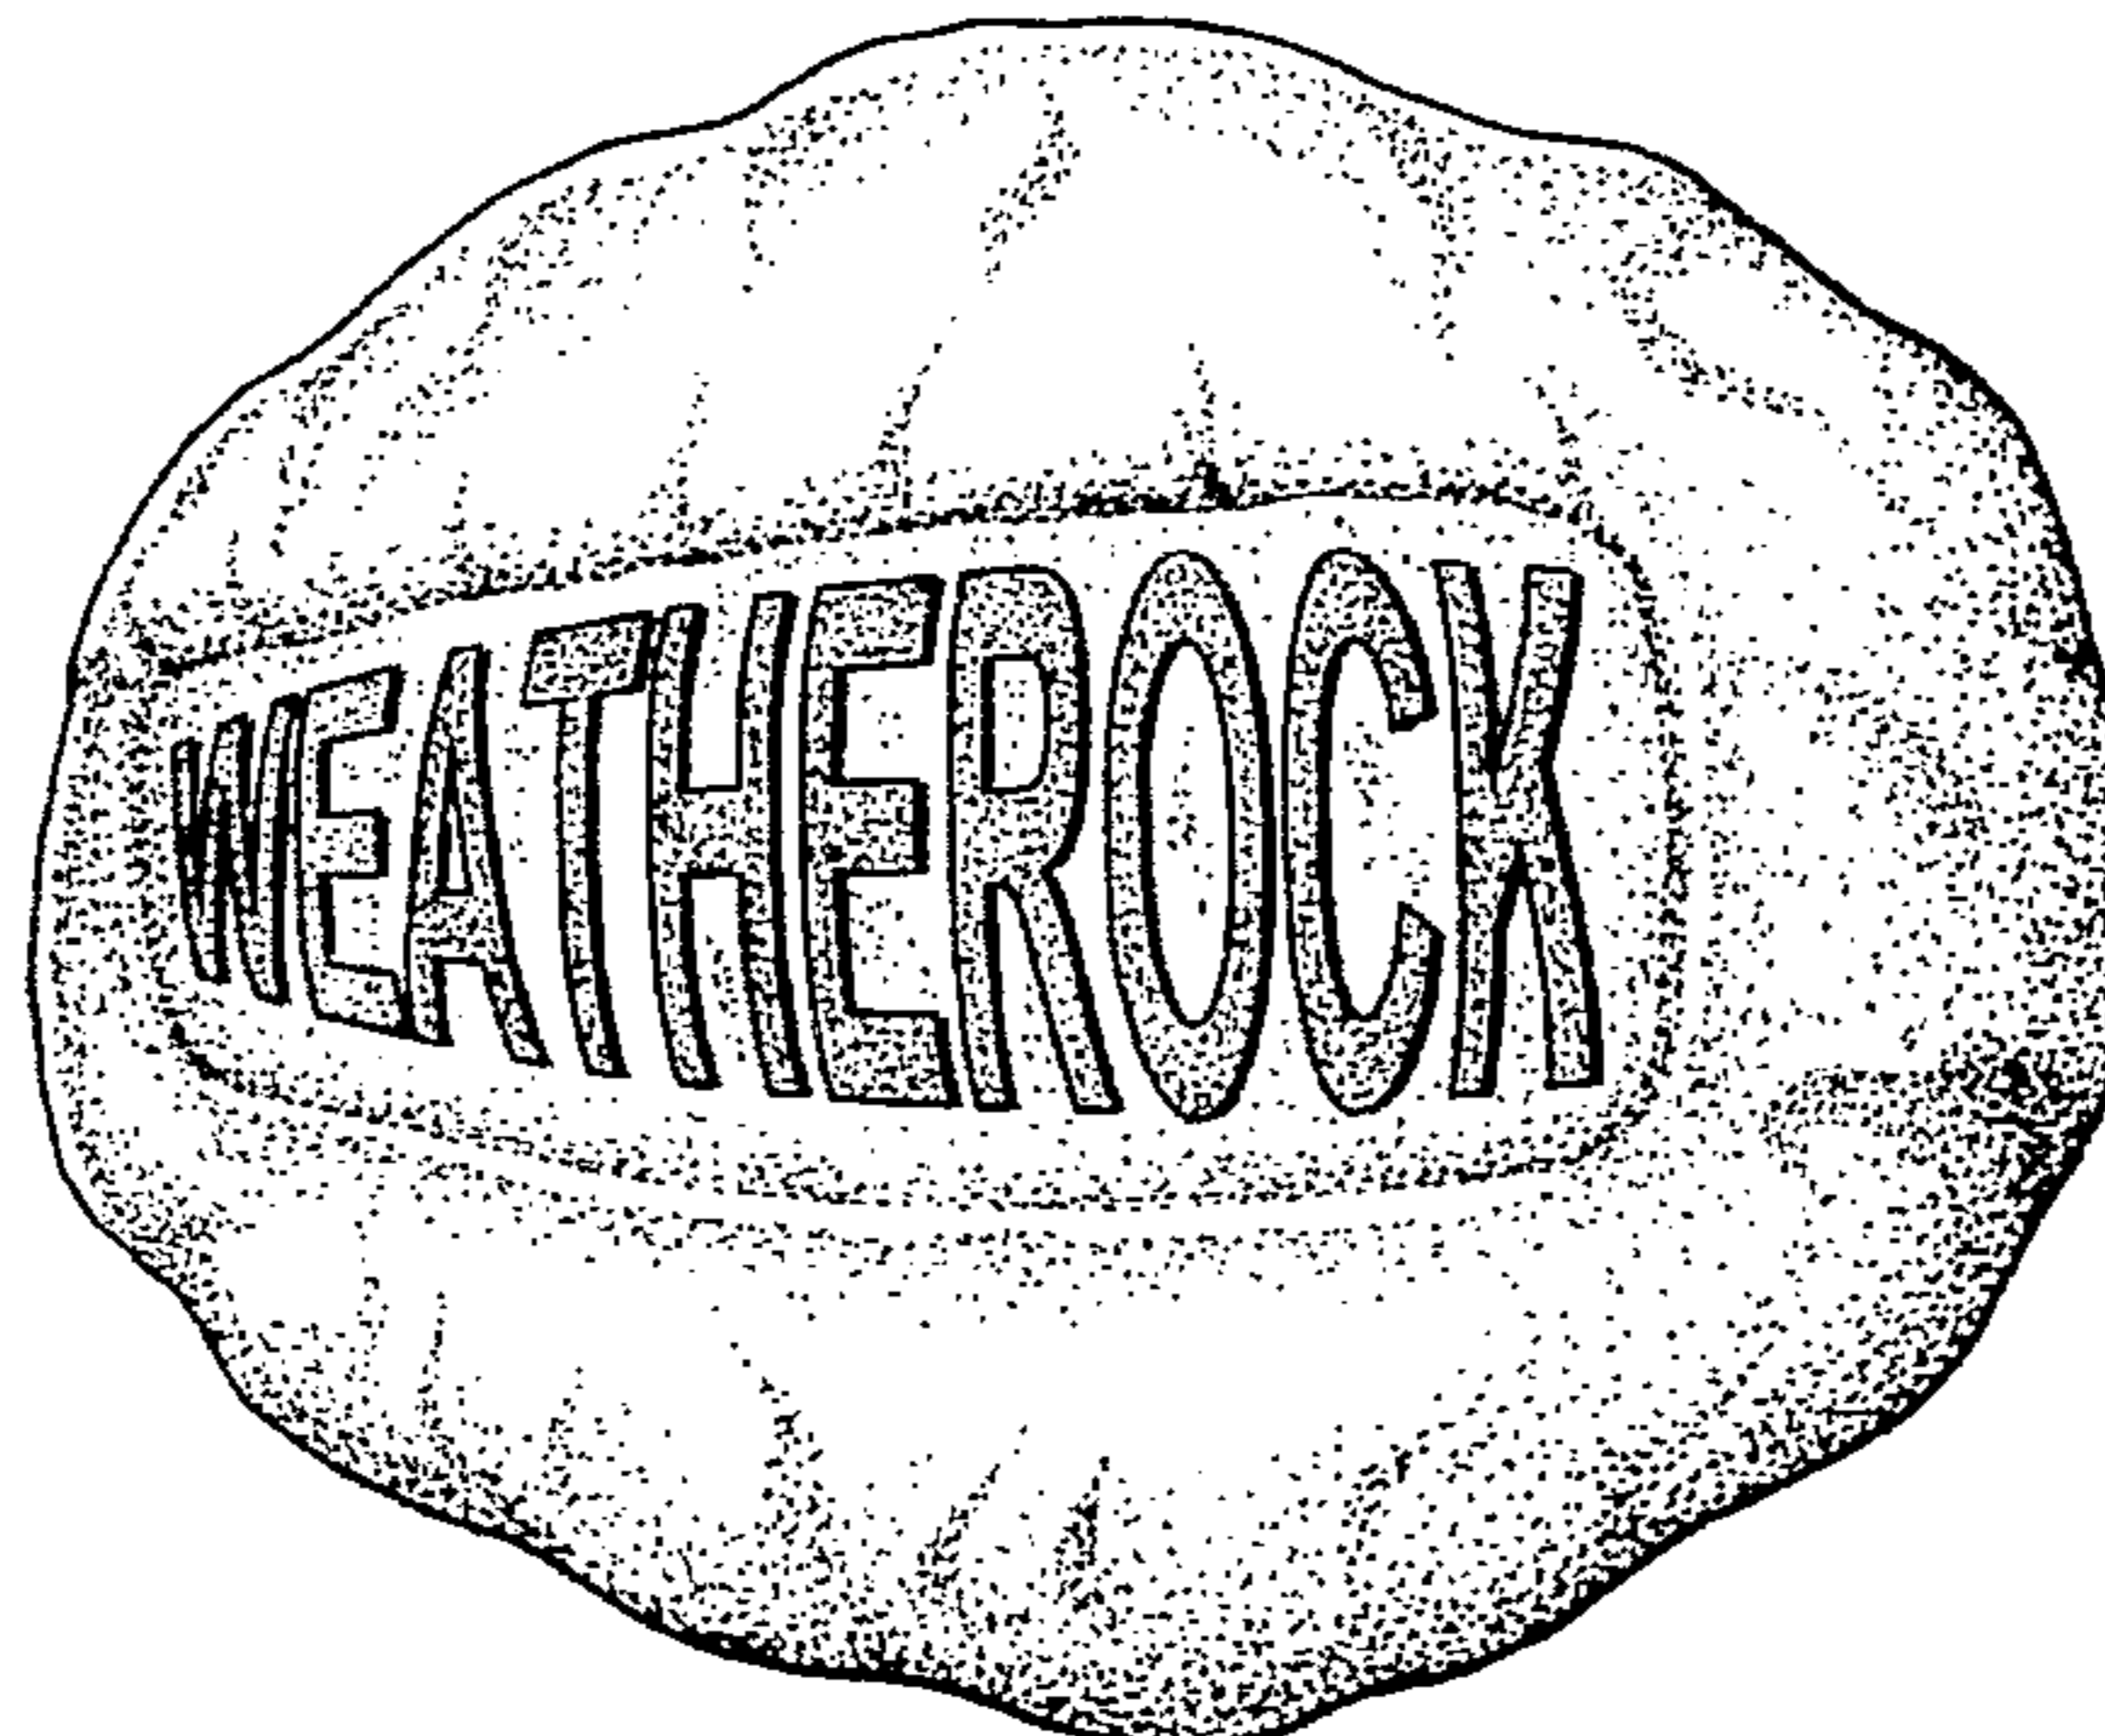

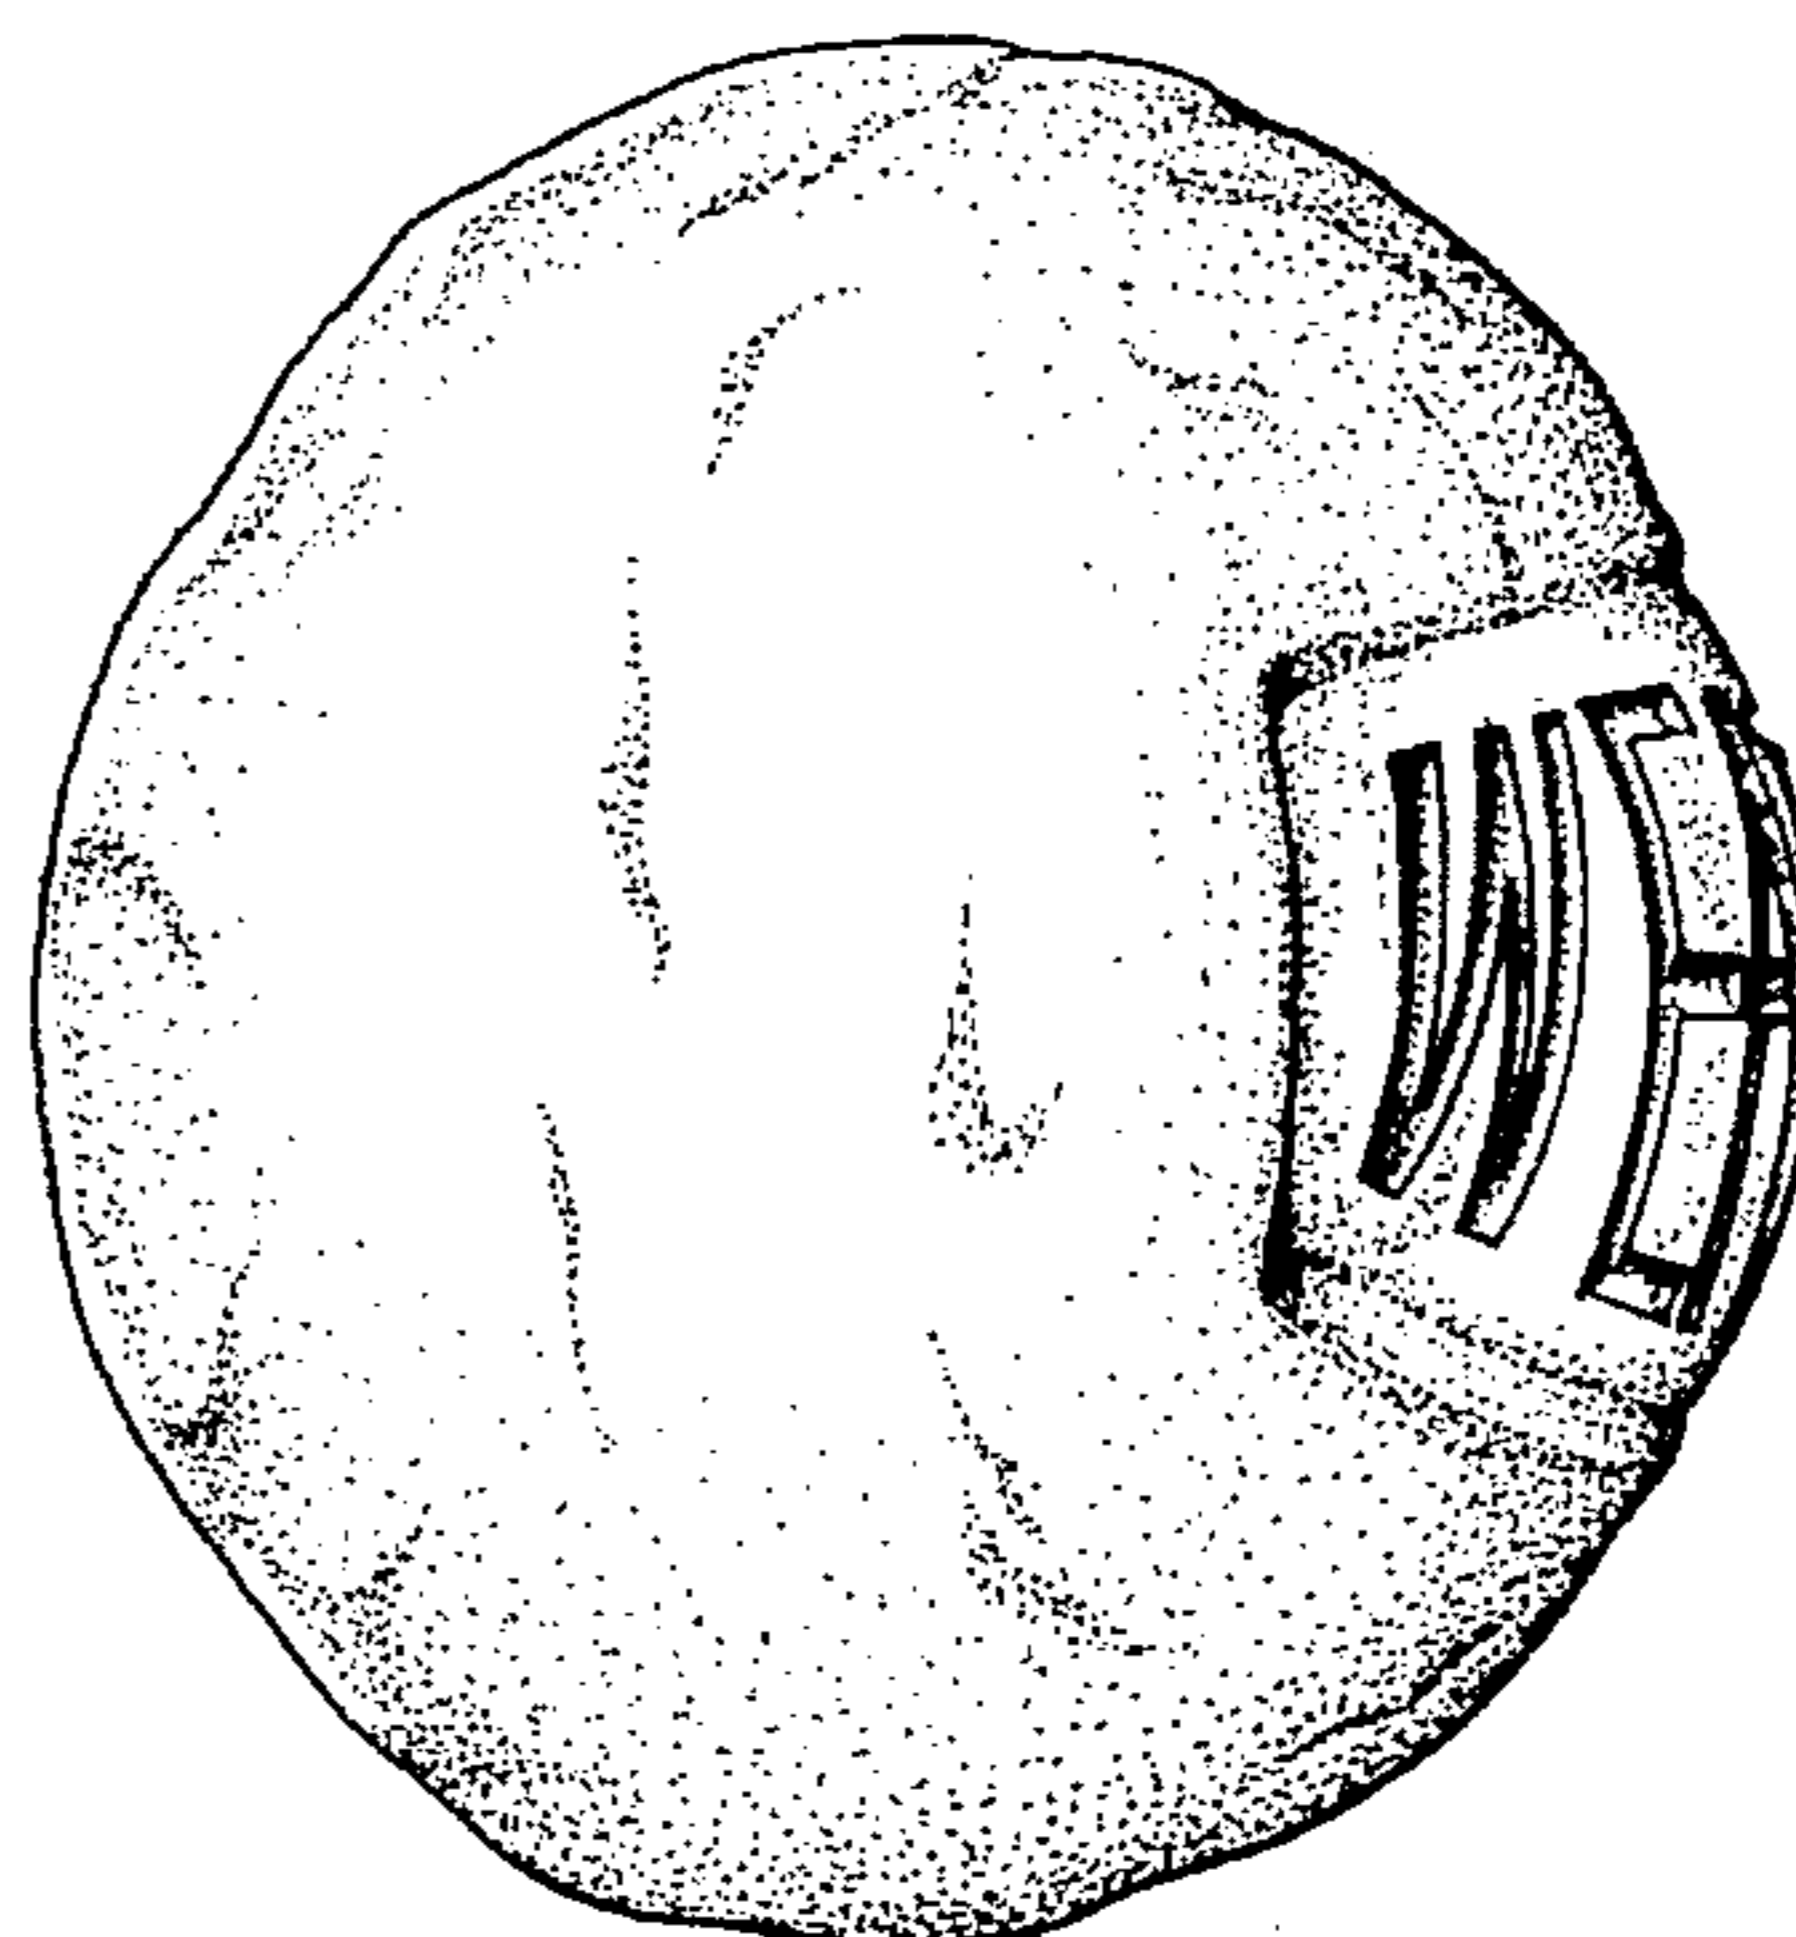

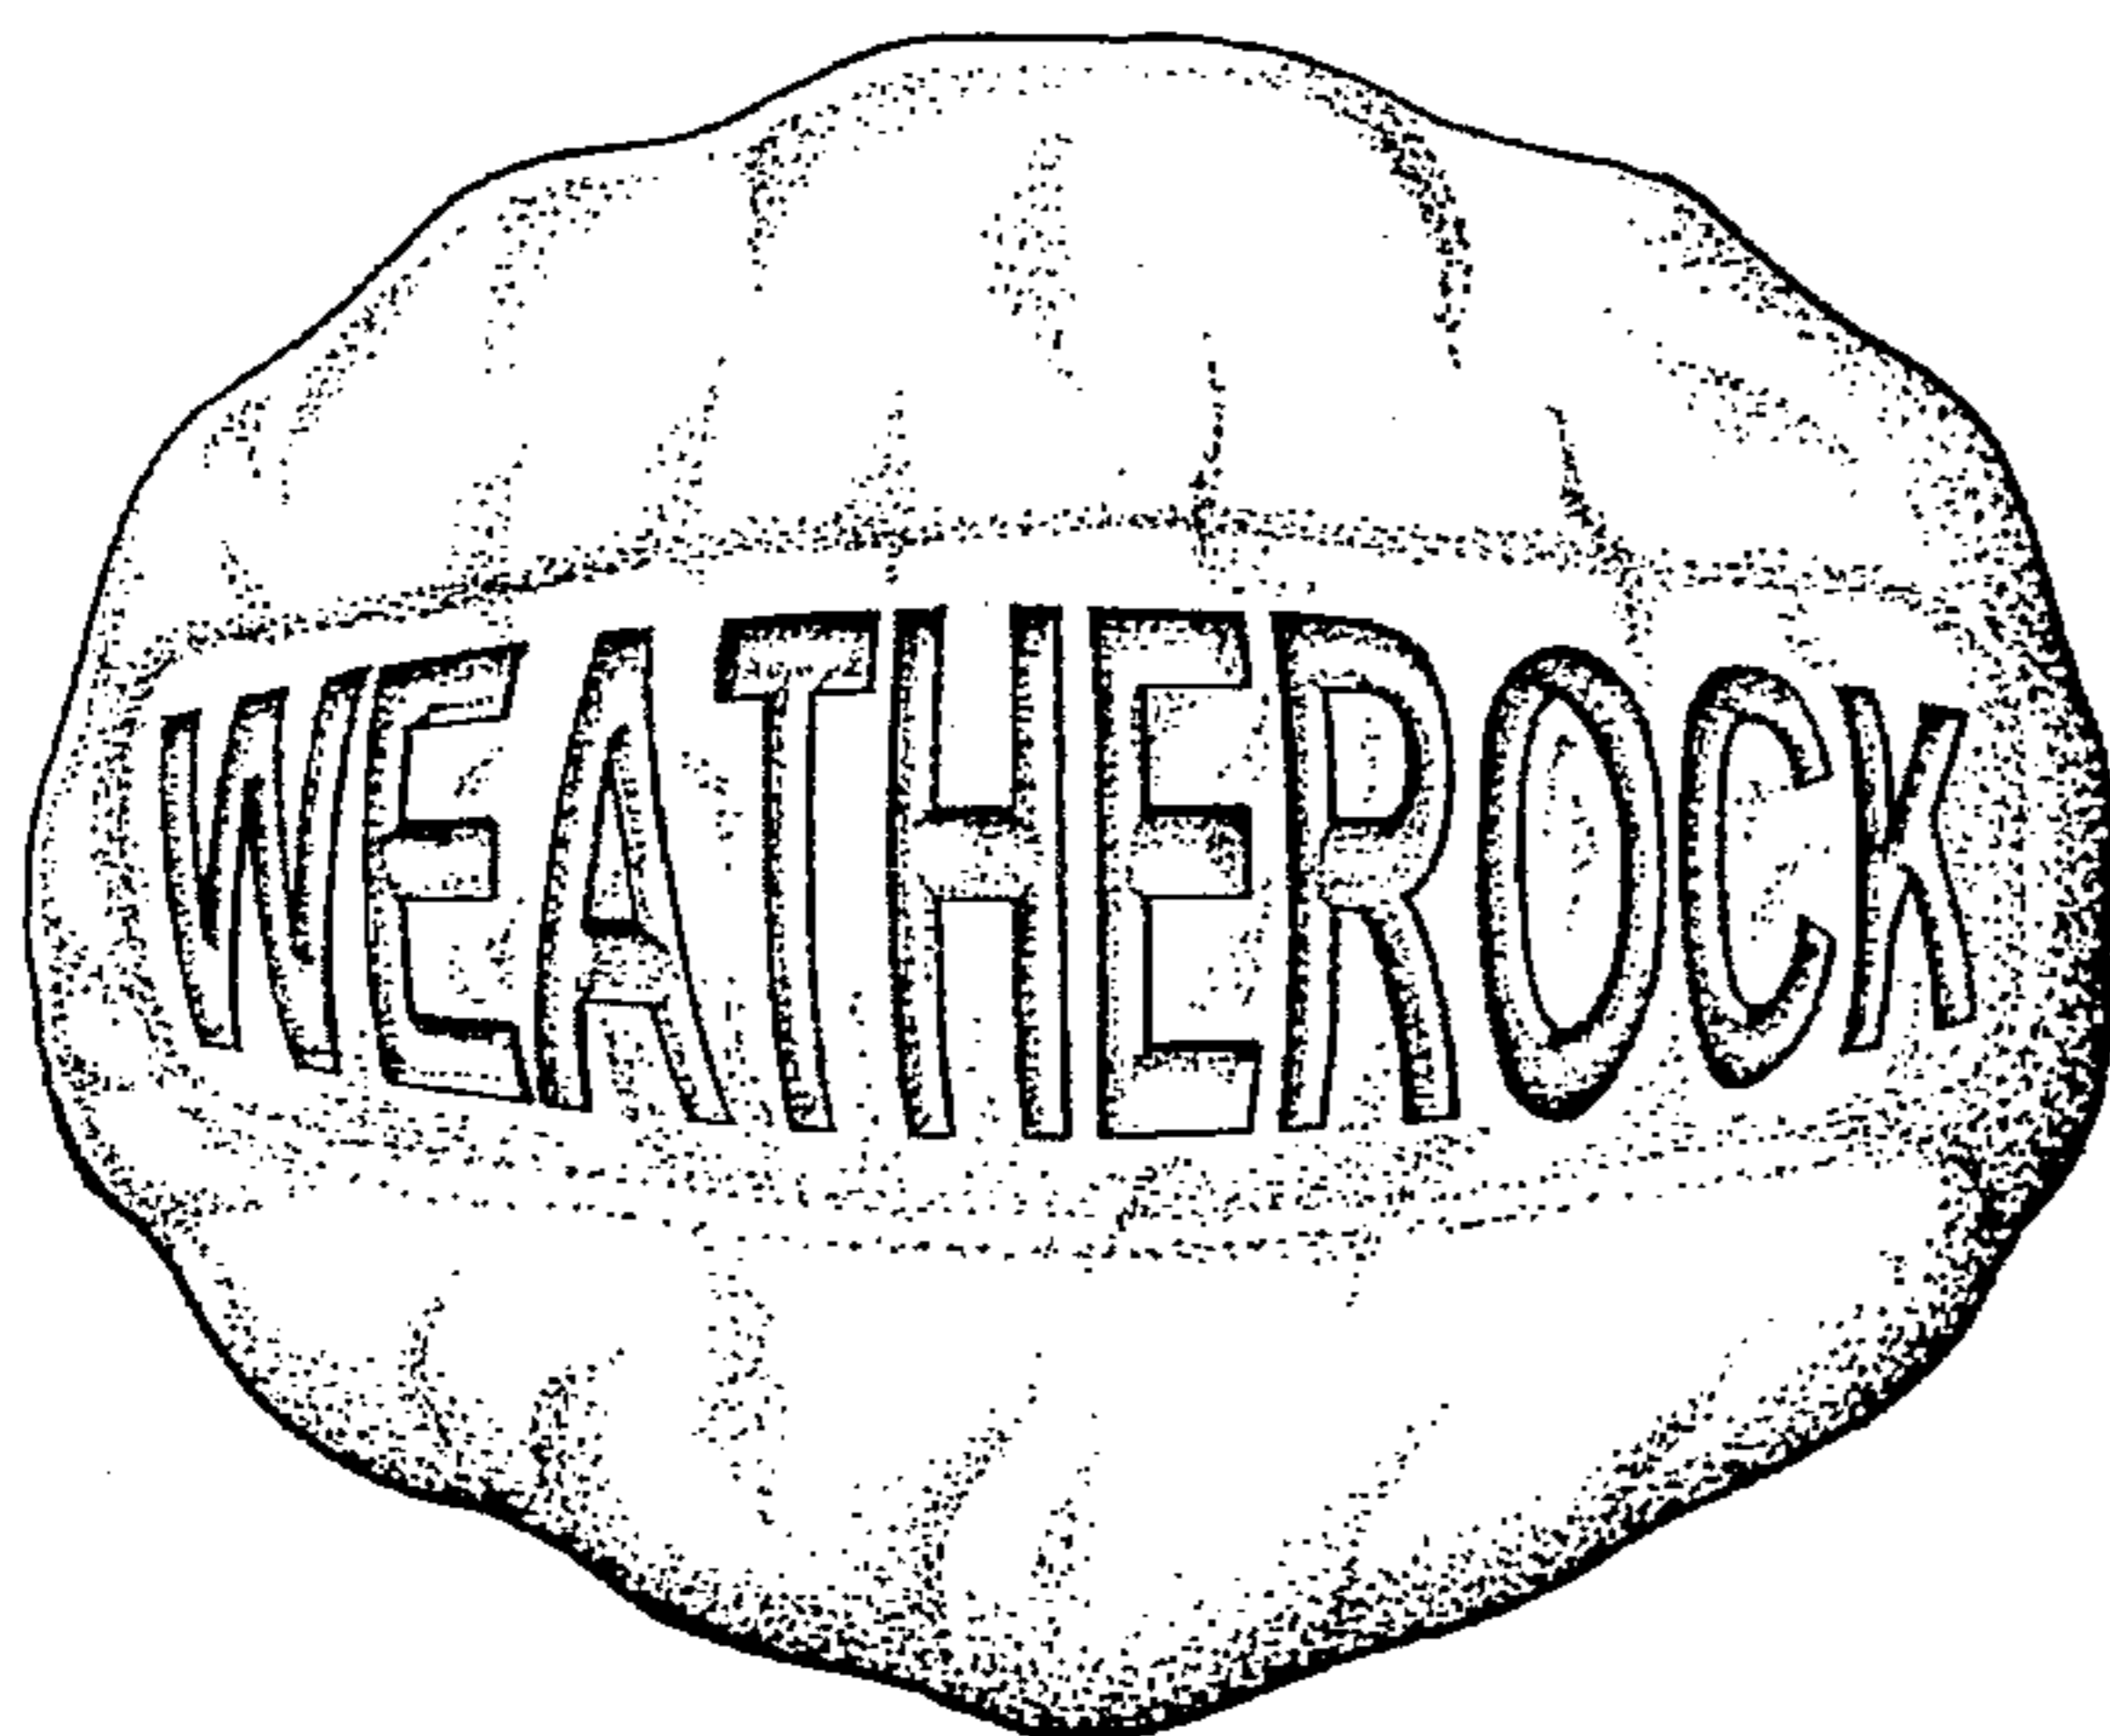

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a perspective view of a second embodiment thereof.

The undisclosed rear elevational view of the first embodiment is plain and unornamented. The second embodiment is identical to the first embodiment in all views with the exception of the lettering being painted onto the surface of the rock rather than engraved into the surface.
