[57] **CLAIM**

The ornamental design for a combined body massager and resuscitation device, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a combined body massager and resuscitation device showing my new design; FIG. 2 is a front elevational view thereof, the top plan view and bottom plan view being identical; FIG. 3 is a left end elevational view thereof, the right end elevational view being identical thereto; and, FIG. 4 is a top perspective view of a second embodiment of my new design, the other views being substantially identical to FIGS. 2 and 3.
