[57] **CLAIM**

The ornamental design for a tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tire showing my new design, it being understood that the tread pattern is repeated throughout the circumference of the tire, the opposite side being substantially the same as that illustrated; and,

FIG. 2 is an enlarged fragmentary front elevation view of the tread pattern of FIG. 1 showing my new design; and,

FIG. 3 is an enlarged fragmentary front elevation view of the tread pattern of a tire showing a second embodiment of my new design, it being understood that the pattern is repeated throughout the circumference of the tire as in the FIG. 1 illustration of the first embodiment.
