[57] **CLAIM**

The ornamental design for a tethered media/communication handset, as shown and described.

#### DESCRIPTION

FIG. 1 shows a top, front, and left side perspective view of the tethered media/communication handset showing my new design, the broken line showings of a hand being for illustrative purposes only and form no part of the claimed design;

FIG. 2 shows a bottom rear and right side view of the tethered media/communication handset;

FIG. 3 shows a side front view of the tethered media/communication handset;

FIG. 4 shows a rear view of the tethered media/communication handset;

FIG. 5 shows a right side view of the tethered media/communication handset;

FIG. 6 shows a top plan view of the tethered media/communication handset; and,

FIG. 7 shows a bottom plan view of the tethered media/communication handset.
