[57] **CLAIM**

The ornamental design for an interior surface-mountable assembly of a push-button lock, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an interior surface-mountable assembly of a push-button lock embodying our design, with the view showing principally front, left and bottom exterior portions thereof;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

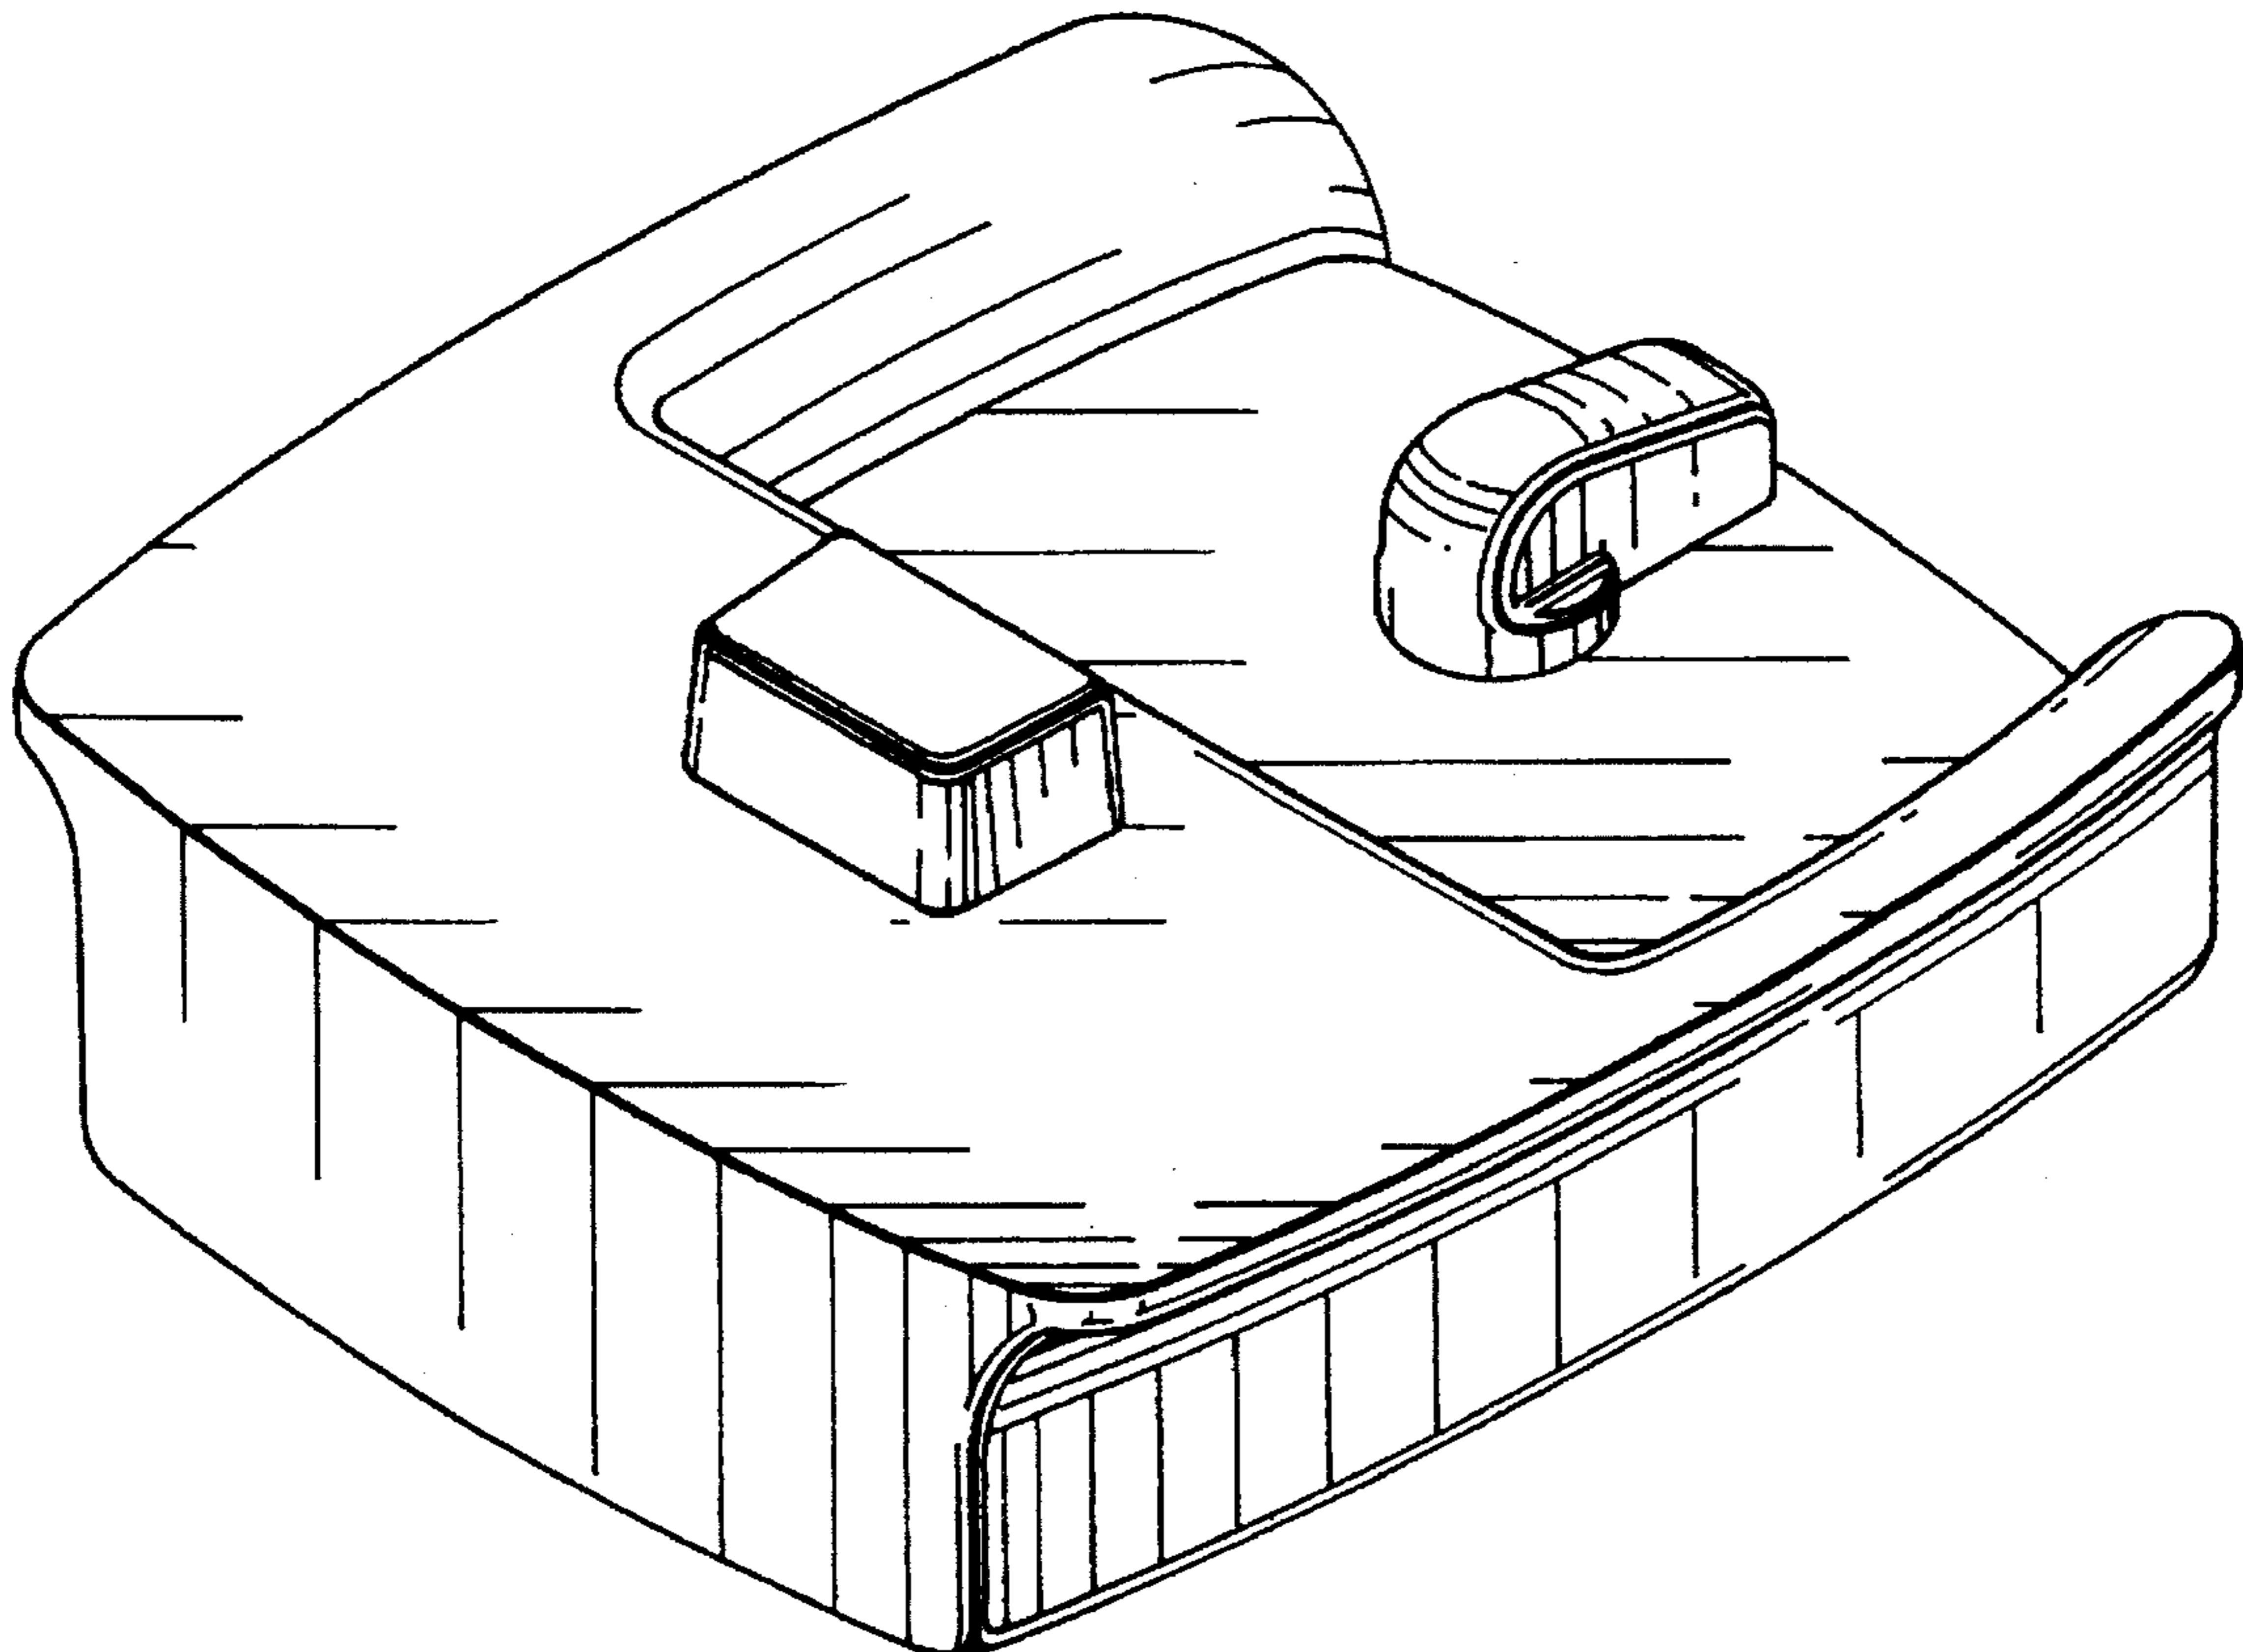

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a bottom view thereof; and,

FIG. 7 is a top view thereof, it being noted that the top and bottom views are mirror images of each other.
