[57] **CLAIM**

The ornamental design for an oil container spout, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an oil container spout showing my new design with the container and hanging hook in phantom outline;

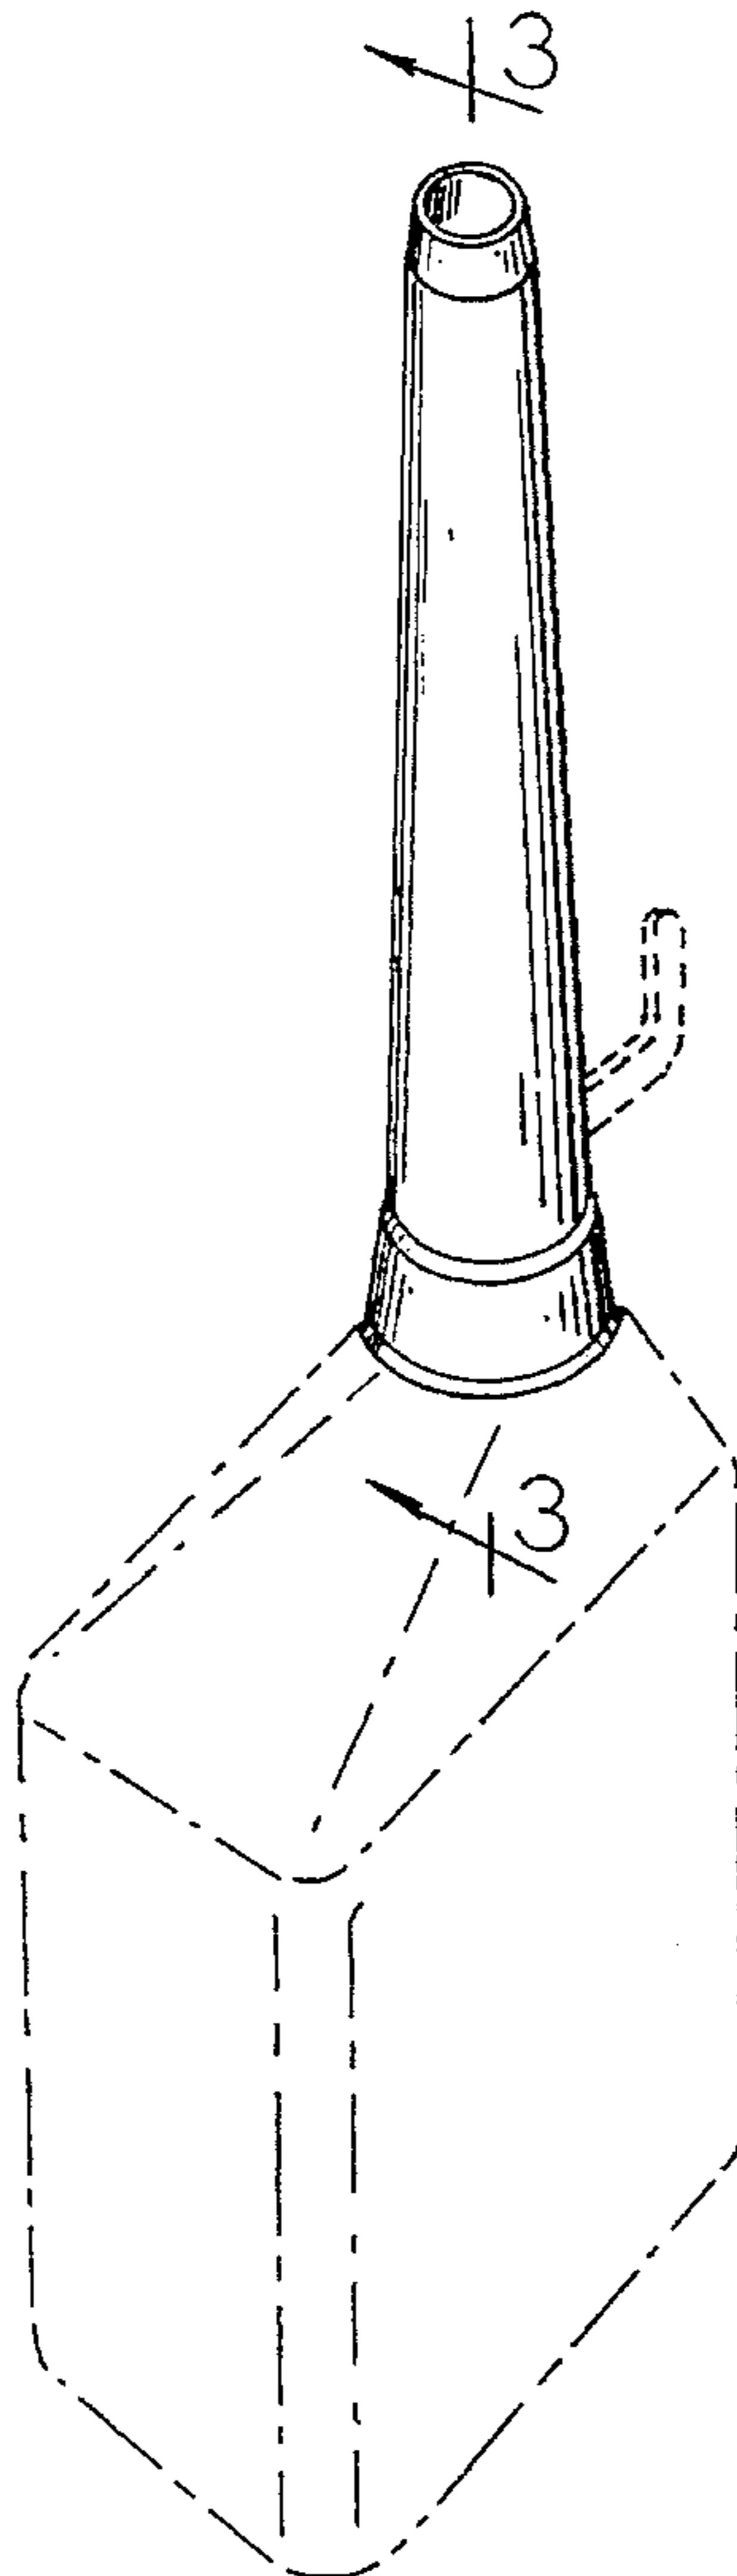

FIG. 2 is an elevational view shown at an enlarged scale, which is the same from all sides;

FIG. 3 is a cross sectional view shown at an enlarged scale, taken along lines 3—3 of FIG. 1 ;

FIG. 4 is a top plan view shown at an enlarged scale; and, FIG. 5 is a bottom plan view shown at an enlarged scale.

The broken line showing of a container and hanging hook is for illustrative purposes only and forms no part of the claimed design.
