[57] **CLAIM**

The ornamental design for a measuring wheel, shown and described.

DESCRIPTION

FIG. **1** is a perspective view of the front face of a measuring wheel and a connected handle;
FIG. **2** is a perspective view of the rear face of the measuring wheel and the connected handle wherein the upper end of the connected handle is not illustrated;
FIG. **3** is a detailed perspective view of a portion of the upper end of the handle and a portion of the lower end of the handle in an unconnected state; and,
FIG. **4** is a plan view, in unconnected condition, of the front face of the measuring wheel, the upper end of the handle, and the lower end of the handle.
