[57] CLAIM

The ornamental design for a protective plant display container, as shown and described.

DESCRIPTION

FIG. 1 is a side perspective view of the protective plant display container showing our new design;

FIG. 2 is an opposite side perspective view of the protective plant display container, in its plant protection configuration;
FIG. 3 is a top perspective view of the protective plant display container, in its plant protective shipping configuration;

FIG. 4 is a side perspective view of the protective plant display container showing its new design in its collapsed configuration; and,

FIG. 5 is a reduced bottom view of the protective plant display container, in its plant display configuration.
