*Primary Examiner*—M. H. Tung

[57] **CLAIM**

The ornamental design for an icon of a group of two-way radios for a computer display screen, as shown and described.

**DESCRIPTION**

The single FIGURE view is a front elevational view of an icon of a group of two-way radios for a computer display screen in accordance with my new design.

The broken line drawing of a computer display screen is shown for illustrative purposes only and forms no part of the claimed design.
