[57] **CLAIM**

The ornamental design for an air deflector, as shown and described.

DESCRIPTION

FIG. 1 shows a perspective view of the air deflector; FIG. 2 shows a front view of the air deflector; and, FIG. 3 shows a side view of the air deflector, the opposite side being a mirror image thereof; The bottom and rear views are plain and unornamented and form no part of the claimed design. The broken line showing of a vehicle is for illustrative purposes only and forms no part of the claimed design.
