Primary Examiner—Marcus A. Jackson

[57] **CLAIM**

The ornamental design for a quick alert strobe light for emergency situations, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the quick alert strobe light for emergency situations showing my new design, with the wire broken away to indicate indeterminate length;
 FIG. 2 is a rear elevational view thereof;
 FIG. 3 is a left side elevational view thereof;
 FIG. 4 is a right side elevational view thereof;
 FIG. 5 is a top plan view thereof; and,
 FIG. 6 is a bottom plan view thereof.
