[57] **CLAIM**

The ornamental design for the exterior surface of an environmentally sealed telephone module with test light, as shown and described.

DESCRIPTION

FIG. 1 is a front and upper left isometric view of the exterior surface of an environmentally sealed telephone module with test light, with the cover closed showing my new design cover;

FIG. 2 is a front and upper left isometric view of the exterior surface of an environmentally sealed telephone module with test light, with the cover in the open position;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a front elevational view thereof;

FIG. 6 is a rear elevational view thereof; and,

FIG. 7 is a top plan view thereof.

The cover has been removed from FIGS. 3-7 for convenience of illustration.
