[57] CLAIM

The ornamental design for a frog figurine, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a frog figurine according to the invention;

FIG. 2 is a top view of the frog figurine;

FIG. 3 is a left side view of the frog figurine; and,

FIG. 4 is a perspective view of the frog figurine.

The right side view of the frog figurine is symmetrical with the left side view. The bottom of the frog figurine is plain and unornamented.
