### [57] CLAIM

The ornamental design for a vehicle wheel front face, as shown and described.

### DESCRIPTION

FIG. 1 is a front perspective view of a vehicle wheel front face according to my new design; and, FIG. 2 is a front elevational view thereof. The brokenline showing of the wheel is for illustrative purposes only and forms no part of the claimed design. The broken line which defines the boundary of the claimed design within the center opening of the wheel forms no part of the claimed design.
