[57] **CLAIM**

The ornamental design for an automotive fuel saving and pollution control device, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the automotive fuel saving and pollution control device of our new design;
FIG. 2 is a side view thereof, taken from one side of the device;
FIG. 3 is a side view thereof, taken from the opposite side of the device;
FIG. 4 is a top view thereof;
FIG. 5 is a bottom view thereof;
FIG. 6 is an end view thereof, taken from one end of the device; and,
FIG. 7 is an end view thereof, taken from the opposite side of the device.
The broken line showing of environment in FIGS. 1 to 7 is for illustrative purposes only and forms no part of the claimed design.
