[57] CLAIM

The ornamental design for a “store data in a batch queue” icon for a display screen of a programmed computer system, as shown and described.

DESCRIPTION

The single FIGURE is an elevational view of a “store data in a batch queue” icon for a display screen of a programmed computer system showing our new design, the broken-line disclosure of the portion of the screen being for illustrative purposes only and forming no part of the claimed design.

1 Claim, 1 Drawing Sheet
