[57] **CLAIM**

The ornamental design for a wall rack for toiletries, as shown and described.

**DESCRIPTION**

The single drawing FIGURE is a front left perspective view of a wall rack for toiletries showing my new design. The right front perspective is a mirror image of the left. The back and bottom are plain.

The flat bracket which is partially obscured on the right is identical to the flat bracket on the left.

**1 Claim, 1 Drawing Sheet**
