[57] **CLAIM**

The ornamental design for a venetian blind slat, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a venetian blind slat showing my new design, shown broken away towards one end;

FIG. 2 is a fragmentary top plan view of the venetian blind slat on a larger scale, shown broken away closer to the one end than as shown in FIG. 1;

FIG. 3 is a front view in elevation of the venetian blind slat of FIG. 2;

FIG. 4 is a bottom plan view of the venetian blind slat of FIG. 2; and,

FIG. 5 is an end view of the venetian blind slat of FIG. 2 as seen from the left-hand side, the right end view being a mirror image.

FIGS. 1-4 have been shown broken away to indicate indeterminate length, it being understood that the pattern repeats uniformly along the entire length of the venetian blind slat.
