[57] **CLAIM**

The ornamental design for a snap closure for display package, as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of the snap closure for display package with a two component blister pak shown in broken line for illustrative purposes only and forming no part of the claimed design;
FIG. 2 is a right side elevational view of the snap closure in the closed position;
FIG. 3 is a left side elevational view of the snap closure in the closed position;
FIG. 4 is a front view of the snap closure in the closed position;
FIG. 5 is a back view of the snap closure in the closed position;
FIG. 6 is a top view of the snap closure in the closed position; and,
FIG. 7 is a bottom view of the snap closure in the closed position.
