[57] **CLAIM**

The ornamental design for a golf tee height setting device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first form of the golf tee height setting device of our new design with an adjustment mechanism in a lower position;
FIG. 2 is a plan view of the first form of the golf tee height setting device of our new design;
FIG. 3 is a side view of the first form of the golf tee height setting device of our new design;
FIG. 4 is an underneath plan view of the first form of the golf tee height setting device of our new design;
FIG. 5 is a further side view of the first form of the golf tee height setting device of our new design with the adjustment mechanism in the lower position; and
FIG. 6 is a further side view of the first form of the golf tee height setting device of our new design with the adjustment in a central position;
FIG. 7 is a perspective view of a second form of the golf tee height setting device of our new design with a detachable ball marker on the top; and,
FIG. 8 is a side view of the second form of golf tee height setting device of our new design with the detachable ball marker on the top the bottom plan view being identical to that shown in FIG. 4.
