[57] **CLAIM**

The ornamental design for a combination crayon and pencil sharpener, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combination crayon and pencil sharpener;

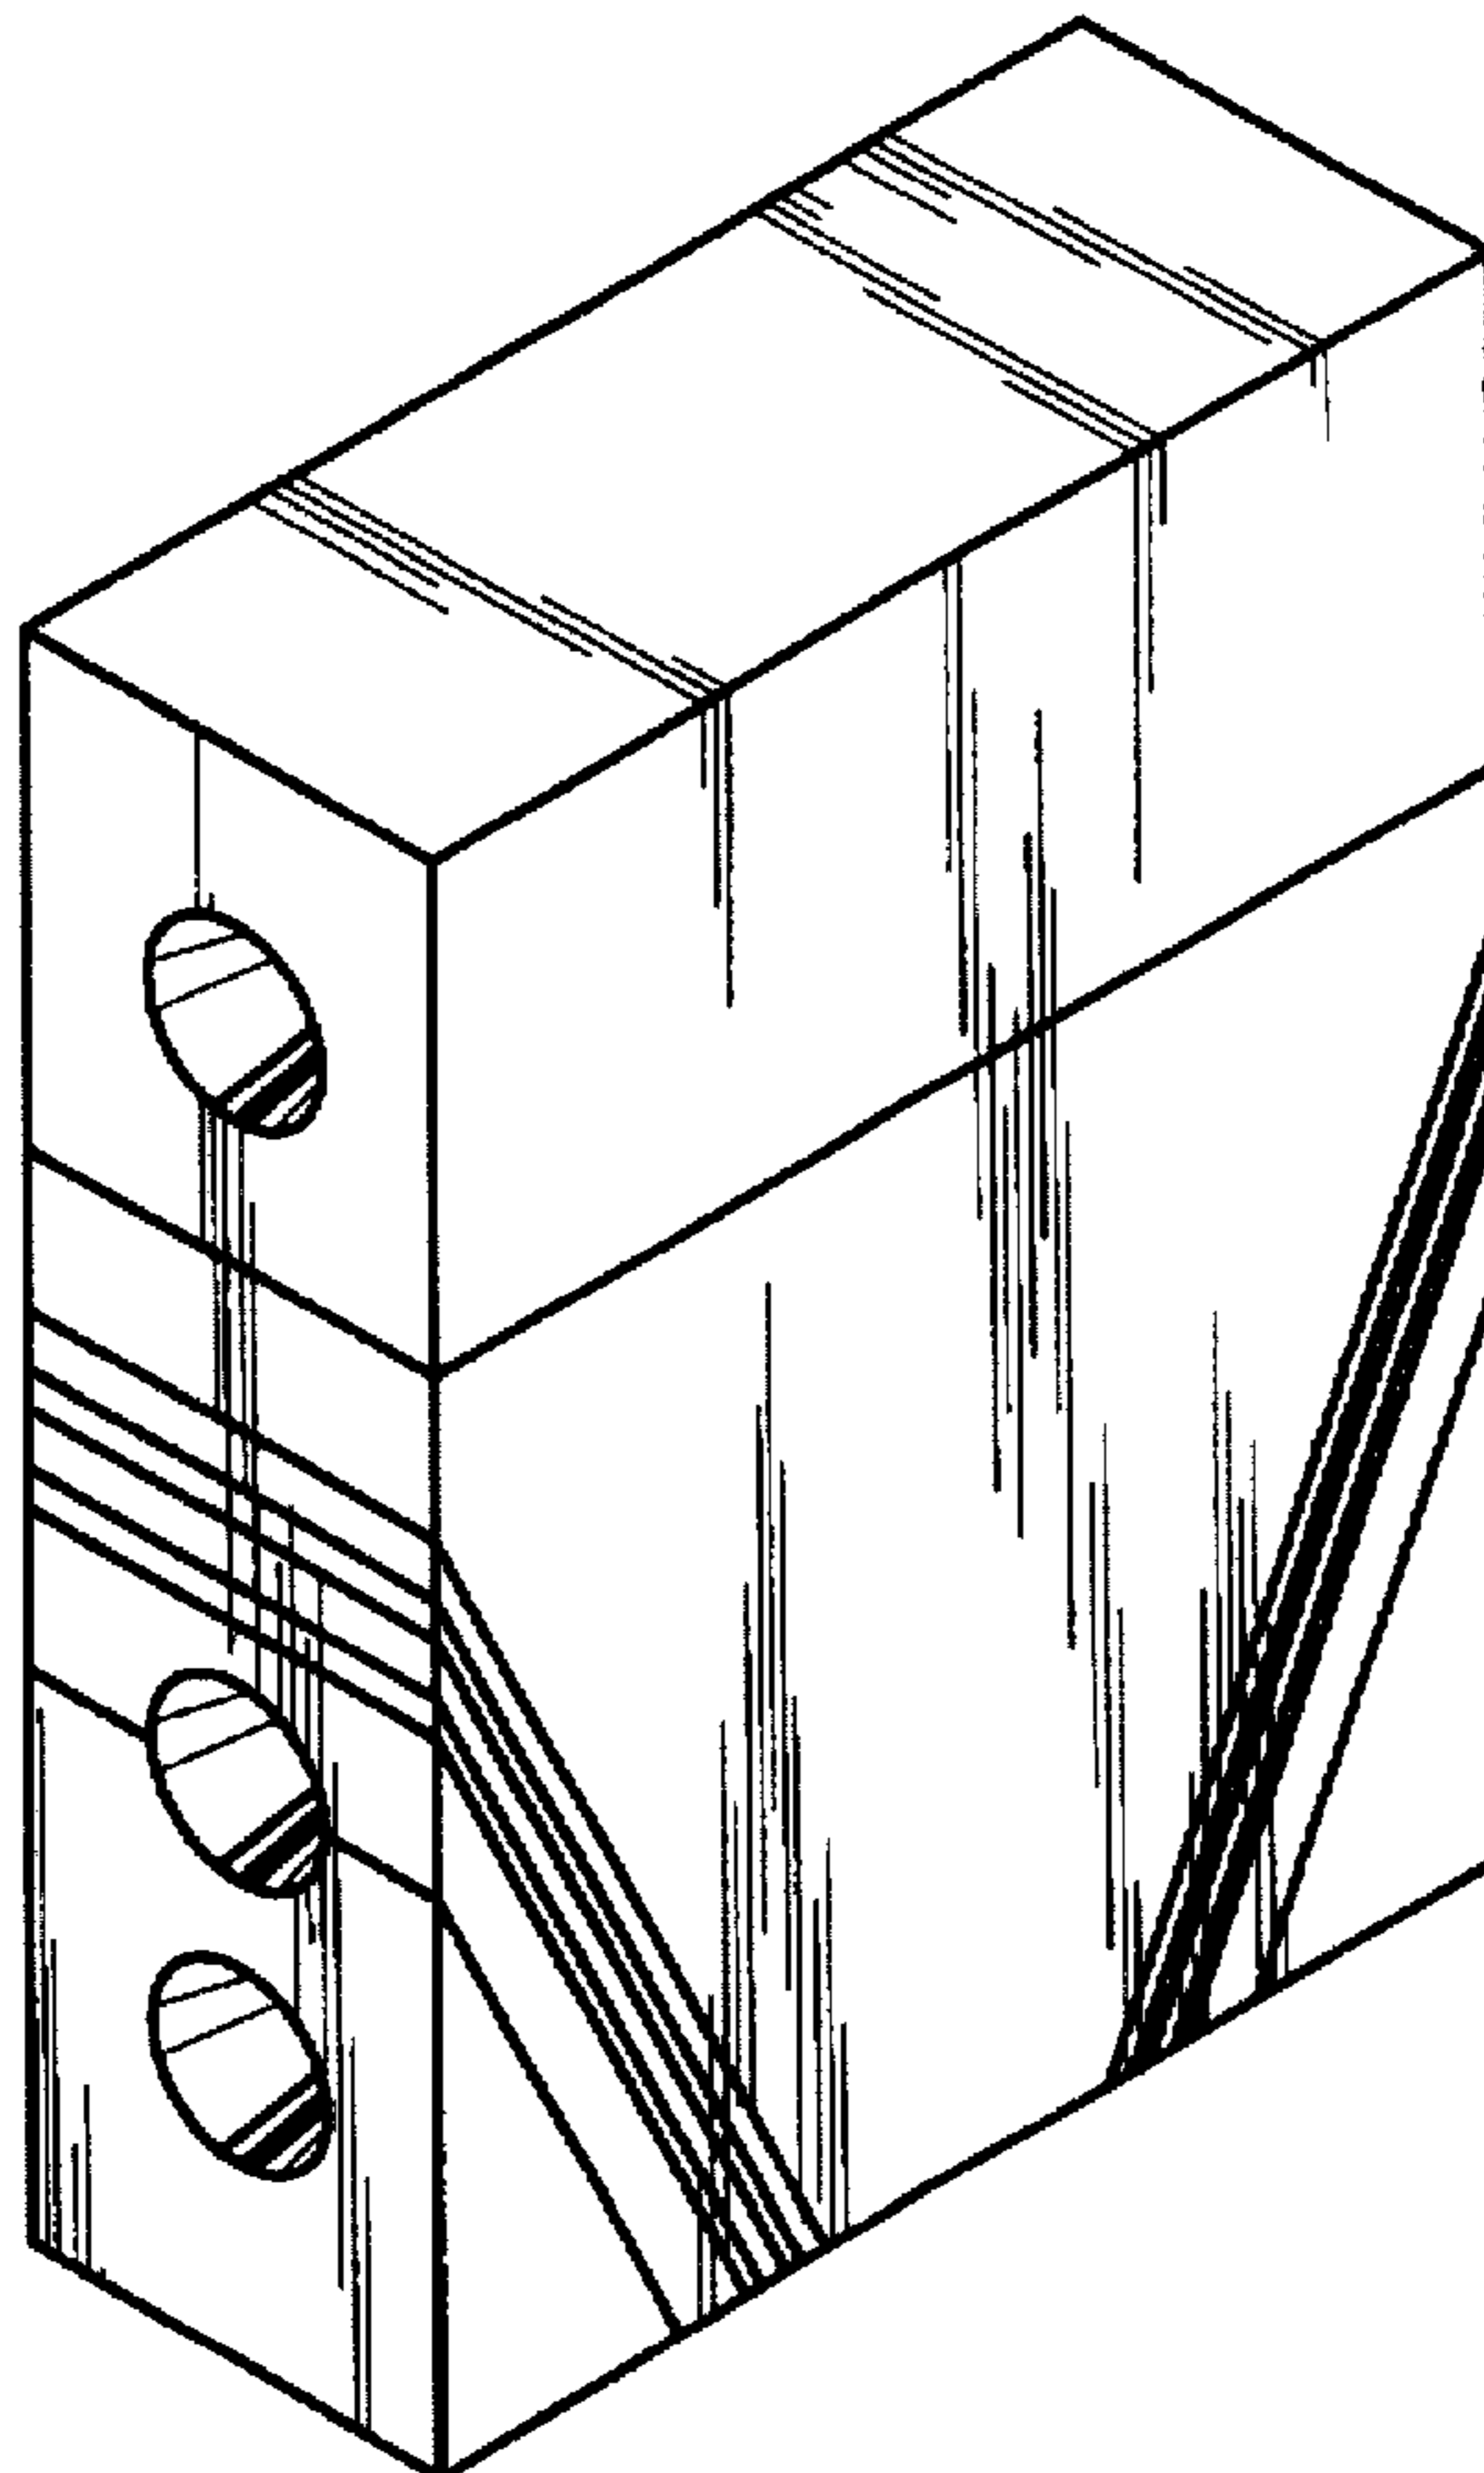

FIG. 2 is front elevational view of the combination crayon and pencil sharpener;

FIG. 3 is an end view of FIG. 1 showing the one end that has three crayon sharpener apertures;

FIG. 4 is an end view of the end opposite FIG. 3 showing the two pencil sharpener apertures in the design; and,

FIG. 5 is a plan view of the combination crayon and pencil sharpener of this invention.
