### [57] CLAIM

The ornamental design for an exterior surface of automobile rear trunk/engine space lid, as shown and described.

### DESCRIPTION

FIG. 1 is a top perspective view from a rear left side showing an exterior surface of automobile rear trunk/engine space lid according to our novel design;

FIG. 2 is a top view of the exterior surface of automobile rear trunk/engine space lid according to our novel design; and,

FIG. 3 is a rear view of the exterior surface of automobile rear trunk/engine space lid according to our novel design.

The dash line showing of adjacent automobile parts is only for showing the surrounding environment and is not part of the claimed design.
