[57] CLAIM

The ornamental design for the shingle, as shown and described.

DESCRIPTION

FIG. 1 is a frontal view of the shingle of our design; FIG. 2 is a right side view thereof; and, FIG. 3 is a bottom edge view thereof. The phantom lines indicate the outline of environment of the design of the present invention; namely that portion of the headlap of the shingle which does not form part of the design. The rear view of the shingle is plain and unornamented.
