OTHER PUBLICATIONS

Commonly available for sale prior to the applicant's invention were ice scrapers made of solid pieces of plastic or metal and having a scraping edge. Additionally, commercially

available spray de-icers were available either with an aerosol can or plastic bottom. These items have been available in various retail stores such as Sears, K-Mart and others.

[57] **CLAIM**

The ornamental design for a combined fluid container and ice scraper, as shown and described.

DESCRIPTION

FIG. 1 is an elevational view of a combined fluid container and ice scraper embodying my invention;
FIG. 2 is an elevational view looking from the left of FIG. 1;
FIG. 3 is an elevational view of the side opposite that of FIG. 1;
FIG. 4 is a top plan view of the embodiment of FIG. 1;
FIG. 5 is a bottom plan view of the embodiment of FIG. 1;
FIG. 6 is an elevational view corresponding with that of FIG. 1 showing an insert in dotted outline;
FIG. 7 is a top plan view of the embodiment of FIG. 6 also illustrating in dotted outline the insert; and,
FIG. 8 is a bottom plan view of the embodiment of FIG. 6 showing an insert in dotted outline.
The broken line showing of the insert in FIGS. 6 and 7 is for illustrative purposes only and forms no part of the claimed design.
