[57] **CLAIM**

The ornamental design for ball point pen, as shown and described.

DESCRIPTION

FIG. 1 is a top end view of the ball point pen illustrating natural feathers secured to the upper end of the pen in more or less random position;
FIG. 2 is a side view of the ball point pen, all other sides of the ball point pen being substantially the same; and
FIG. 3 is a side view of a second embodiment of ball point pen wherein the shaft of the pen shows a spiral wrapping.
