[57] **CLAIM**

The ornamental design for a video camera wireless microphone support bracket, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the video camera wireless microphone support bracket of the present invention showing my new design with the phantom lines depicting environmental structure and not forming any portion of the claimed design;

FIG. 2 is an enlarged exploded view thereof with the phantom lines depicting solely environmental structure and forming no portion of the claimed design; and,

FIG. 3 is a rear bottom perspective view thereof.
