[57] CLAIM

The ornamental design for a light fixture, as shown and described.

DESCRIPTION

FIG. 1 is an isometric perspective of a light fixture, showing our new design;

FIG. 2 is a front elevational view thereof, the rear elevational view and both side elevational views being identical thereto; FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof; and, FIG. 5 is a view similar to FIG. 1, but with external illumination dimmed and the miniature fairy lights illuminated, causing the dark "tree" to disappear when viewed through the dark, "smoked" walls of the cubical enclosure. The electrical conductor, transformer and plug shown in broken line in FIG. 1 are included merely to illustrate the environment and form no part of the claimed design.
