### [57] CLAIM

The ornamental design for a snowmobile track, as shown and described.

### DESCRIPTION

FIG. 1 is a perspective view of a snowmobile track showing my new design, it being understood that the tread pattern is repeated uniformly throughout the length of the track as shown schematically by solid lines; and,

FIG. 2 is an enlarged top plan view of the tread pattern thereof.

The track has been broken away in FIG. 1 to indicate indeterminate length.
