[57] **CLAIM**

The ornamental design for a tread for a tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tread for a tire showing our new design;

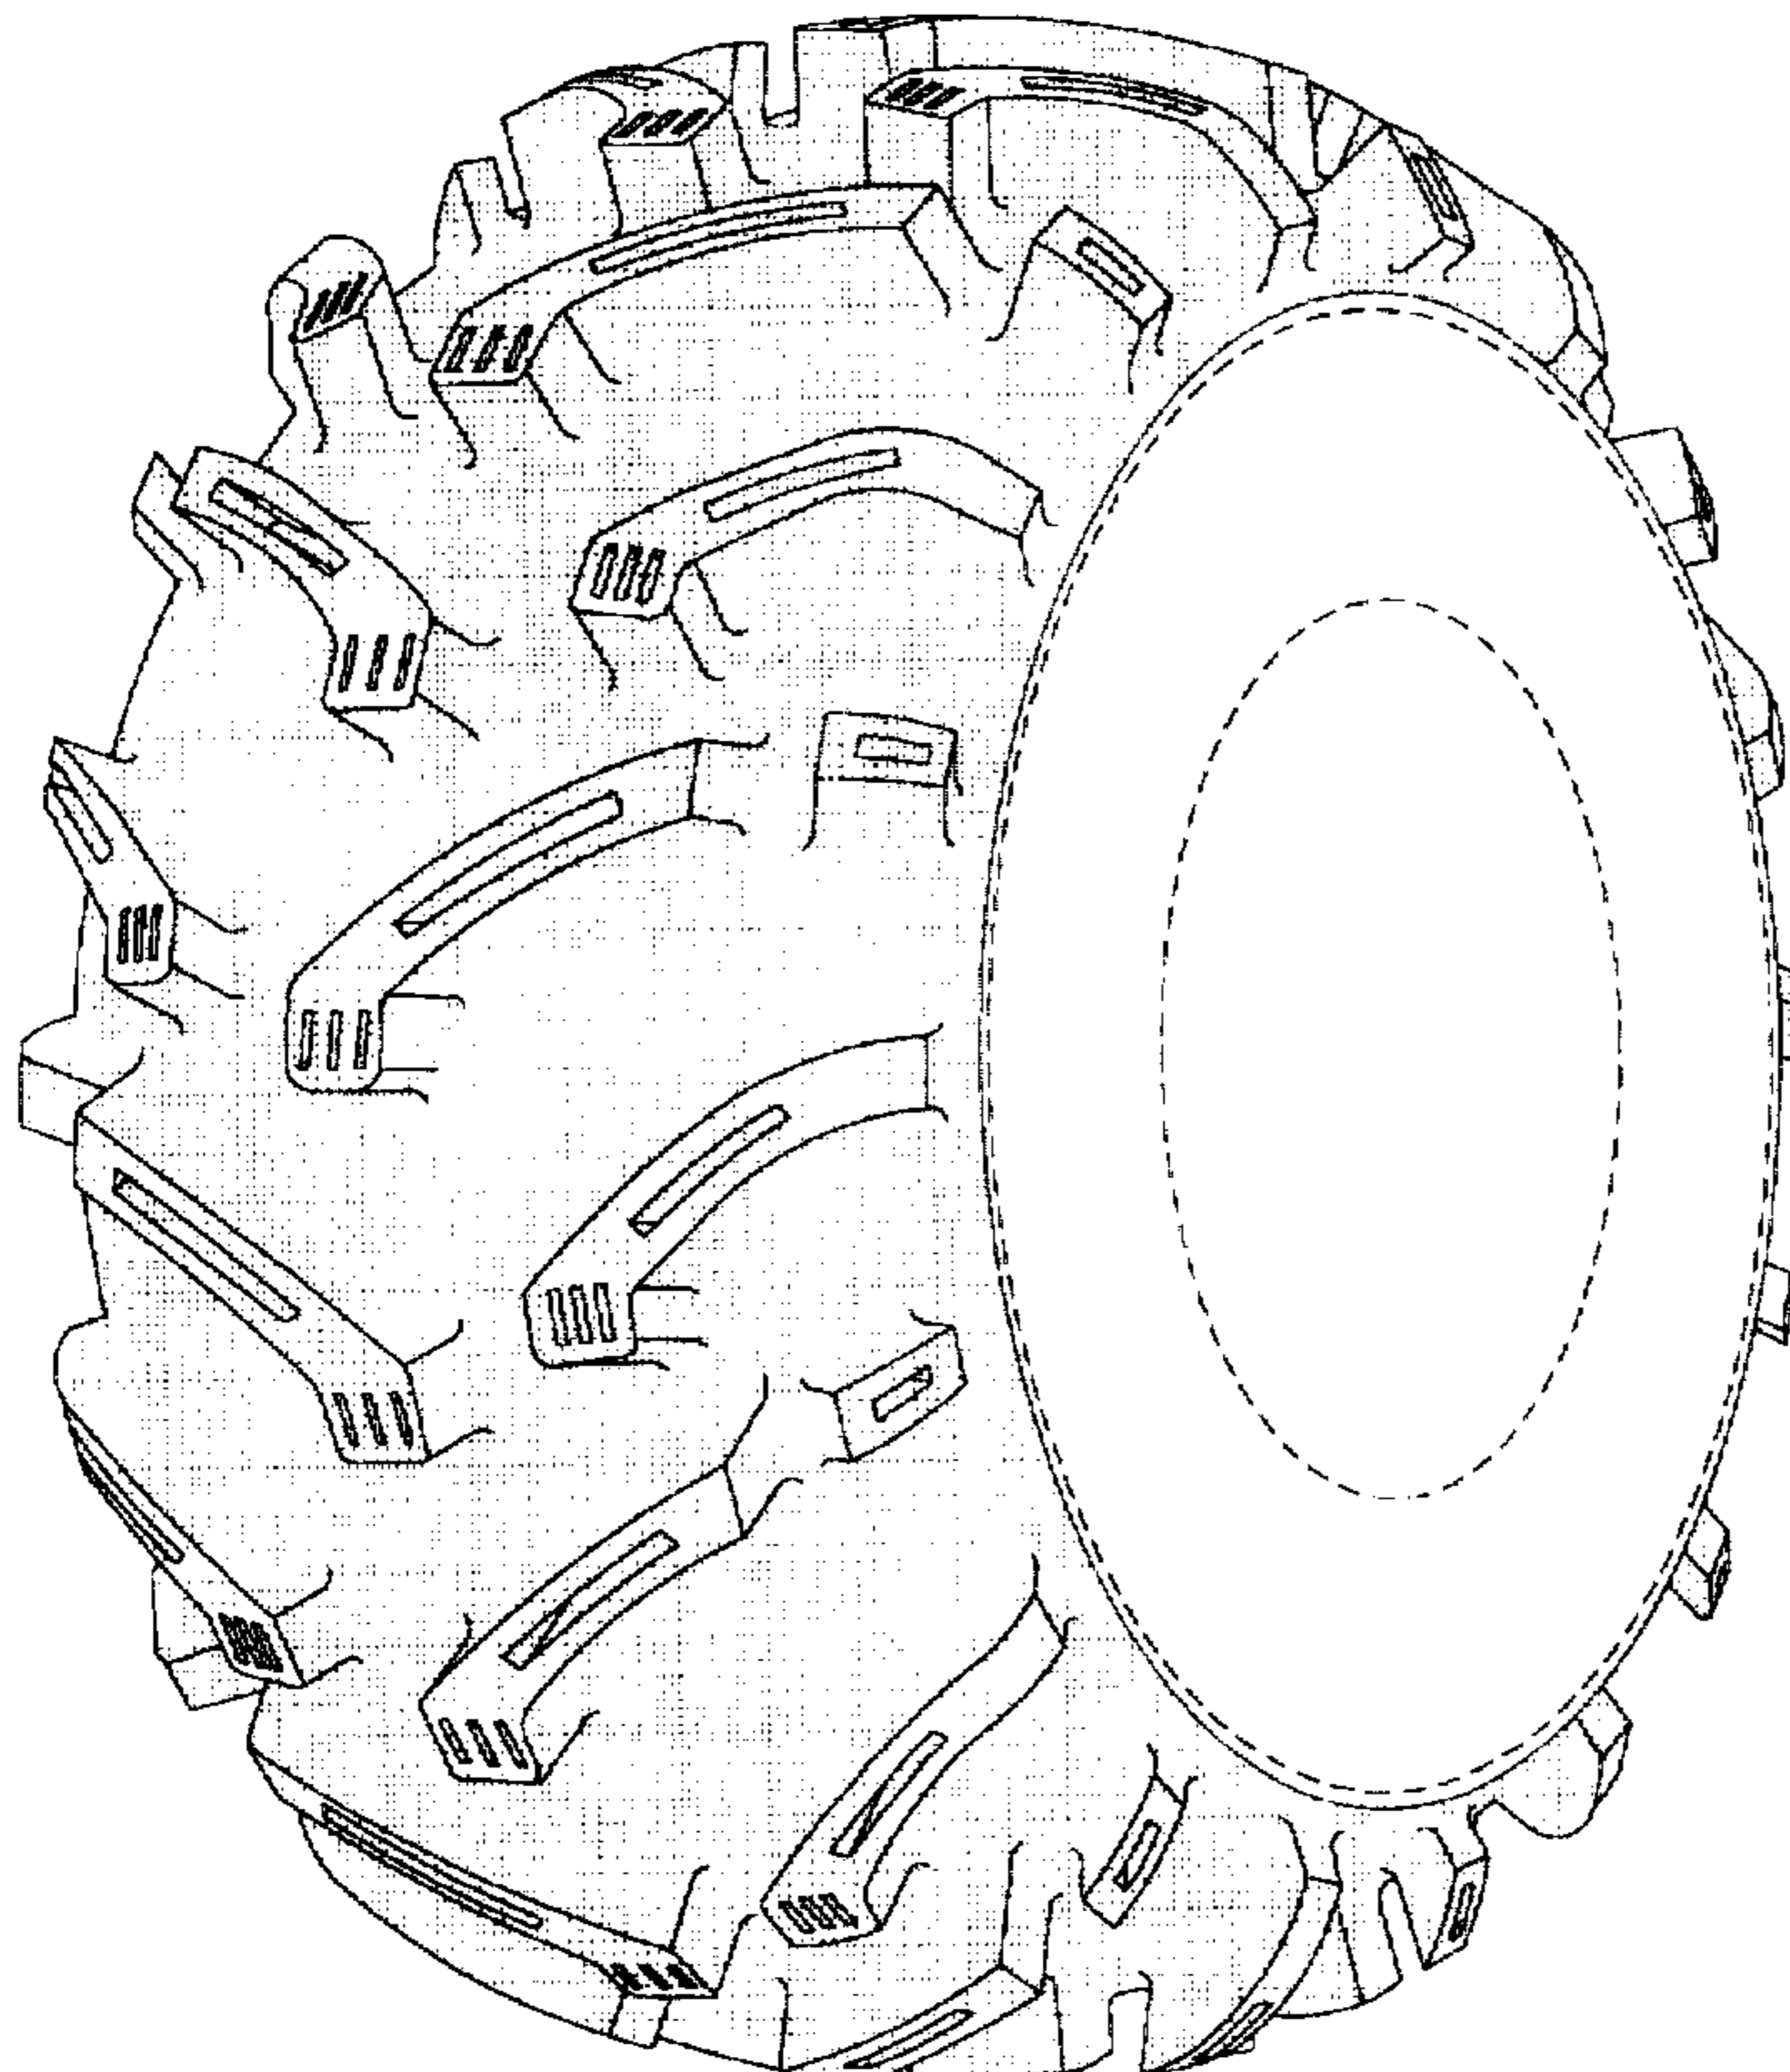

FIG. 2 is a front elevational view thereof;

FIG. 3 is a side elevational view thereof; and,

FIG. 4 is a fragmentary view of a portion of the tread as illustrated in FIGS. 1, 2 and 3.

The tread pattern is understood to be repeated uniformly throughout the circumference of the tire and the sides opposite to those shown in the drawing are mirror images thereof.
