CLAIM

[57] The ornamental design for a display package for compact discs, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a display package for compact discs showing my new design; FIG. 2 is a rear perspective view thereof; FIG. 3 is a top plan view thereof, the bottom plan view being a substantial mirror image of the top plan view; FIG. 4 is a right view thereof, the left side being a substantial mirror image of the right side view; and, FIG. 5 is a front perspective view of a portion of a display package for compact discs showing an alternate embodiment of my new design. The broken line showing of a package in FIG. 5 is environmental only and forms no part of the claimed design.
