[57] **CLAIM**

The ornamental design for a combined clock and compass, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the combined clock and compass;
FIG. 2 is a top view of the combined clock and compass, showing the support stand in a partial open position. The bottom view is substantially a mirror image of the top view;
FIG. 3 is a left end view of the combined clock and compass;
FIG. 4 is a right end view of the combined clock and compass, showing the support stand in a partial open position; and,
FIG. 5 is a rear elevational view of the combined clock and compass.
