[57] CLAIM

The ornamental design for a sunglass, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the sunglass design of the present invention showing my new design; FIG. 2 is a top plan view thereof; and, FIG. 3 is a right side elevational view thereof with the left side elevational view being a mirror image thereof; The portions of the interior surfaces not shown or described of the sunglass forms no part of the claimed design.
