[57] CLAIM

The ornamental design for a cutting guide with a safety cutting edge, as shown and described.

DESCRIPTION

FIG. 1 is a top, left side and front perspective view of a cutting guide with a safety cutting edge showing my new design;

FIG. 2 is a top, right side and rear perspective view thereof; FIG. 3 is an enlarged bottom, rear and left side perspective view thereof; and,

FIG. 4 is an enlarged left side elevational view thereof, the right side elevational view being a mirror image.

The broken line showing of a bottom insert in FIGS. 1, 2 and 4 is for illustrative purposes only and forms no part of the claimed design.
