[57] **CLAIM**

The ornamental design for a barrel top tray, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a barrel top tray showing a typical embodiment of the new design. The broken lines depicting bottles and a sponge tray are for illustration purposes only, and form no part of the claimed design; FIG. 2 is a top, plan view of the barrel top tray; FIG. 3 is a front, elevational view of the barrel top tray. The broken lines depicting a portion of a barrel are for illustration purposes only and form no part of the claimed design. The rear, elevational view is a mirror image of the front, elevational view and therefore is not separately shown; FIG. 4 is a left side, elevational view of the barrel top tray; and, FIG. 5 is a bottom, plan view of the barrel top tray.
