[57] **CLAIM**

The ornamental design for a pattern for a bonded nonwoven fabric, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a pattern for a bonded nonwoven fabric showing my new design. One unit of repeat is shown within the dash-dot-dot-dash broken lines. The broken lines defining the peripheral boundaries of the fabric as well as the cut away portions thereof are for illustrative purposes only and form no part of the claimed design. The fabric is shown cut away on each of its four sides to indicate indeterminate length and width.
