[57] **CLAIM**

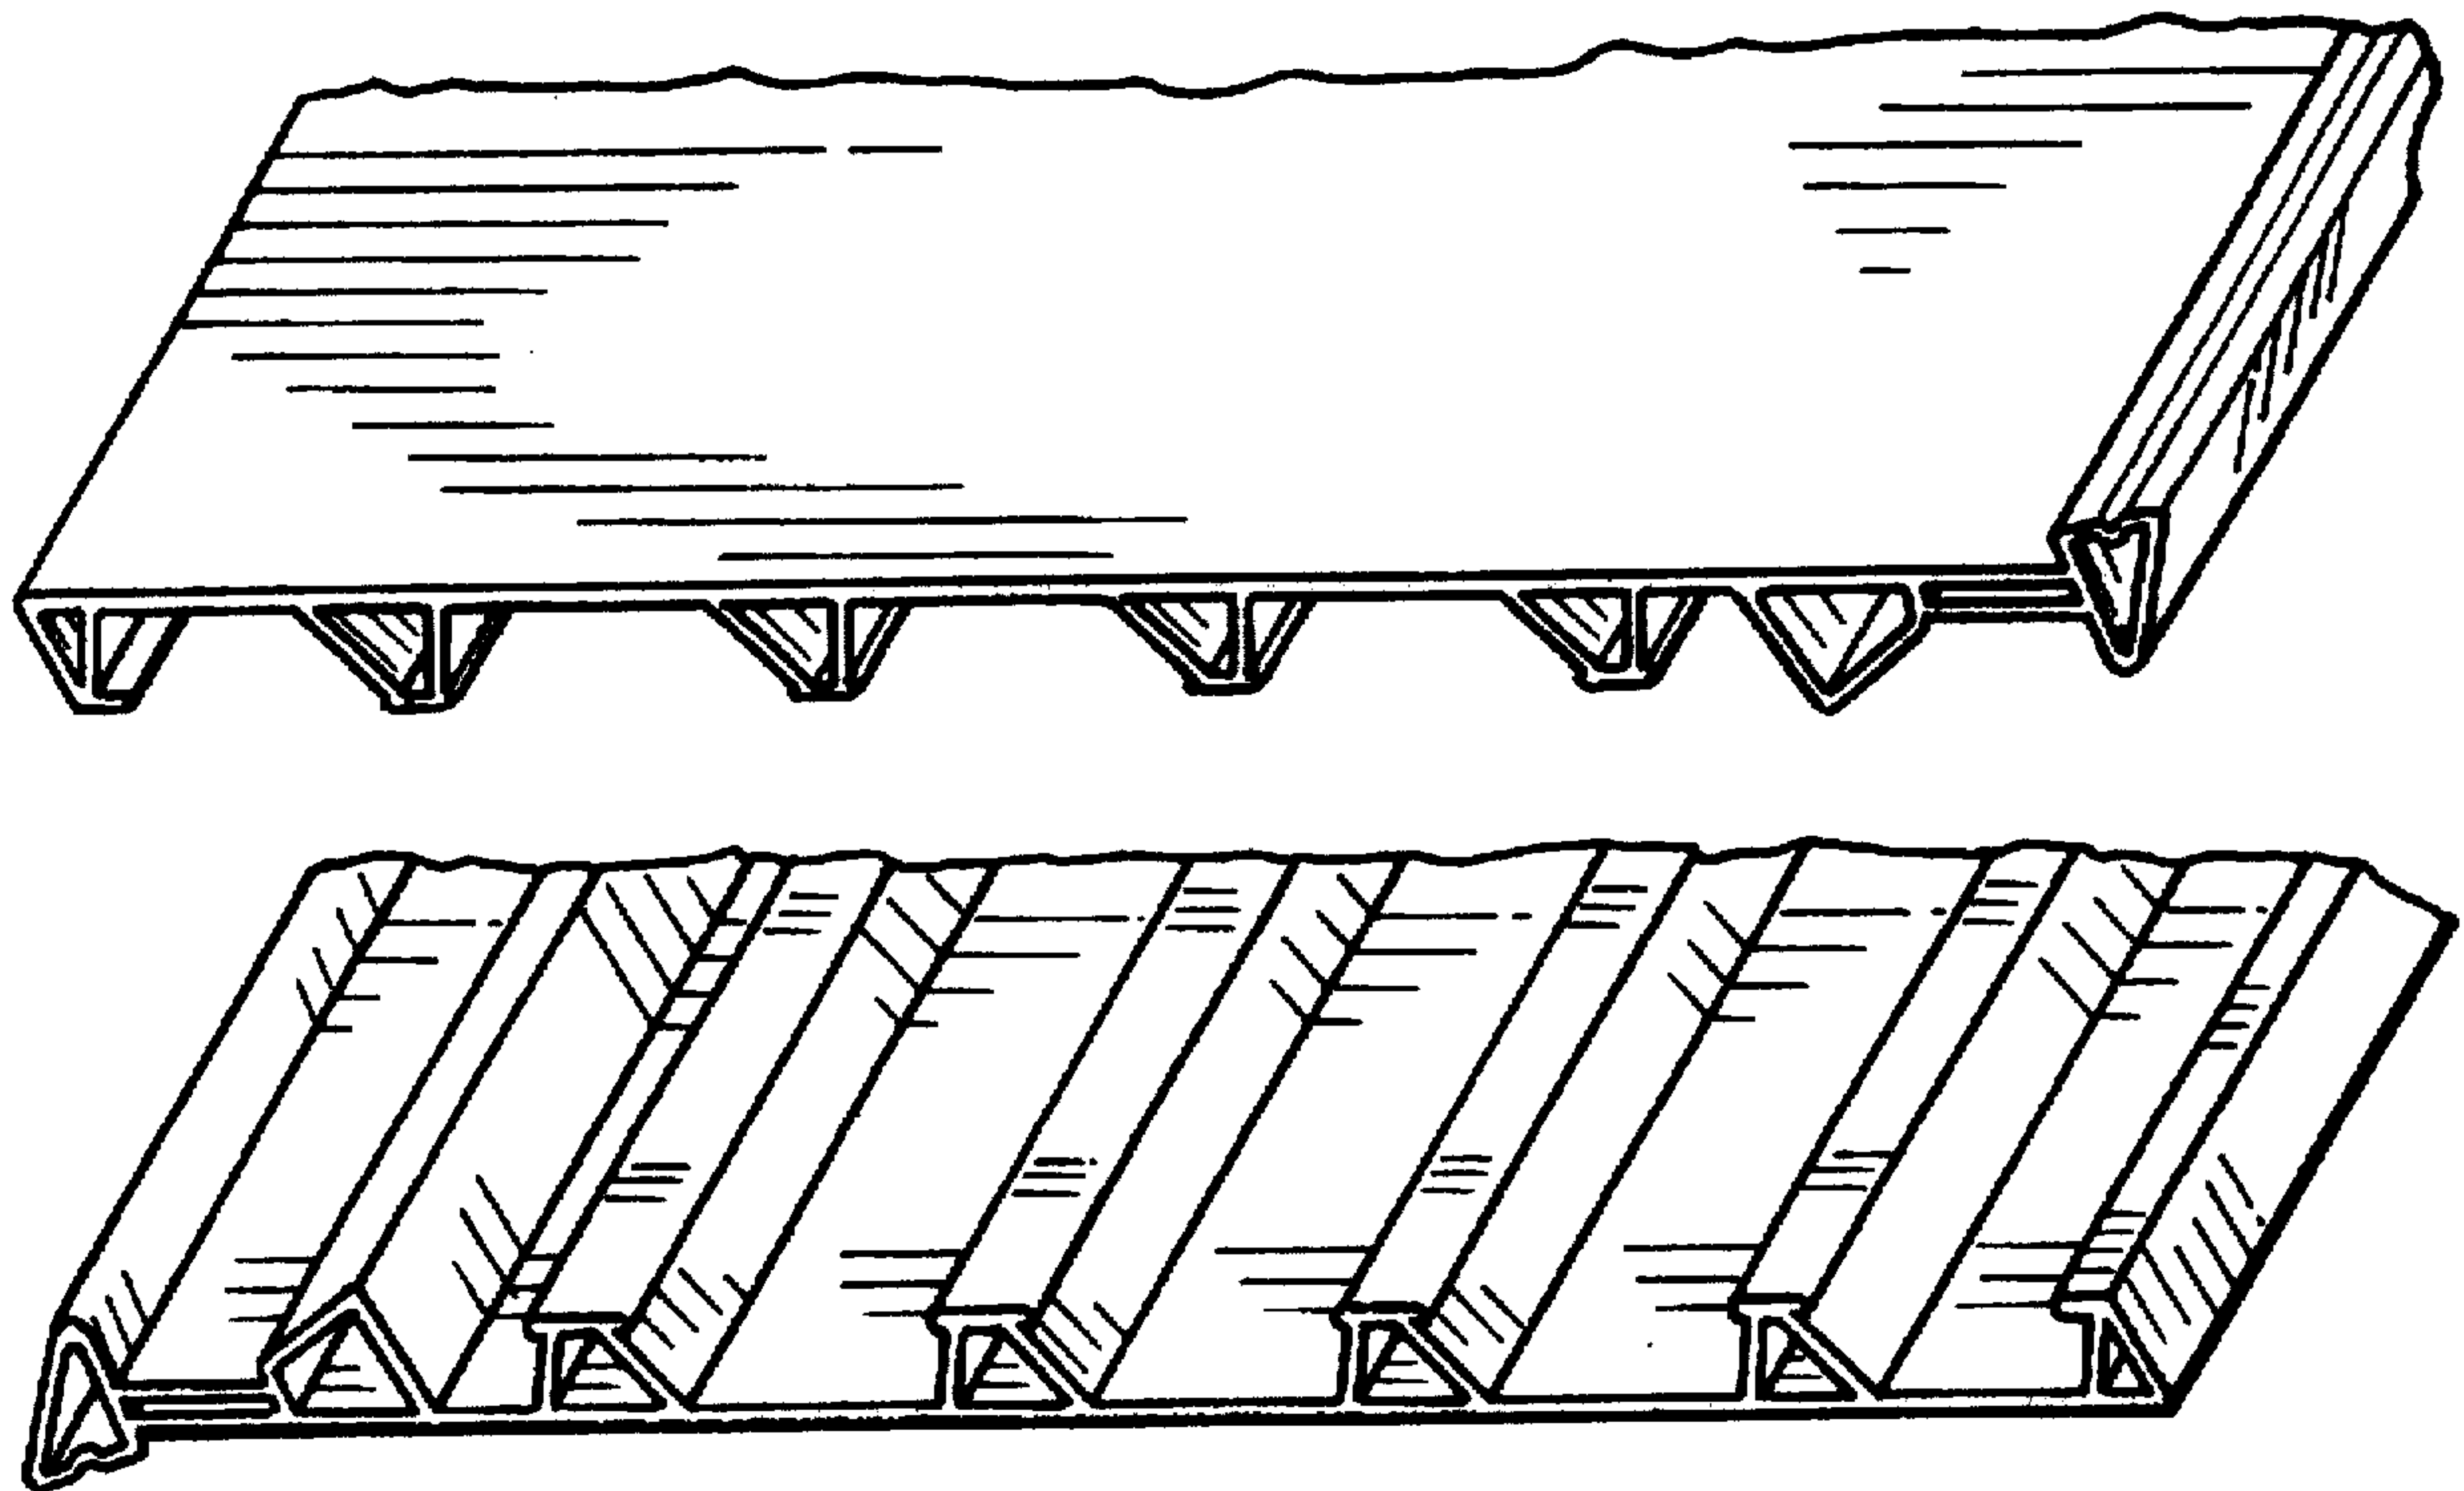

The ornamental design for a shelf panel, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the shelf panel;
FIG. 2 is a bottom perspective view of the shelf panel; and,
FIG. 3 is an enlarged side view of the shelf panel.

The shelf panel is shown broken away at one end to show indeterminate length, it being understood that the opposite end is a mirror image thereof and that the contours repeat uniformly along its length.
