[57] **CLAIM**

The ornmental design for a multiple pull-out drawer candy box, as shown.

**DESCRIPTION**

FIG. 1 is a perspective view of a multiple pull-out drawer candy box showing my new design;  
FIG. 2 is a perspective view of the candy box in an open condition with the drawers and sheet spacer between the drawers partially pulled out; and,  
FIG. 3 is a perspective view of an alternate embodiment of the candy box in an open condition with the three drawers and two spacers partially pulled out.  
The broken line showing of candy is for illustrative purpose only and forms no part of the claim. The undisclosed sides of the claimed design are mirror image of the corresponding sides shown in the drawing.
