[57] CLAIM

The ornamental design for an implantable intravascular stent, as shown and described.

DESCRIPTION

FIG. 1 is a side view showing my new design of a stent; in the drawing, the stent is enlarged for purposes of clarity and is shown in an expanded condition; FIG. 2 is another side view of the stent of FIG. 1; and, FIG. 3 is a view of one end of the stent of FIG. 1, the view from the other end being identical.
