[57] **CLAIM**

The ornamental design for a combined chocolate cup and holder therefor, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a combined chocolate cup and holder therefor showing my new design, the broken lines are for illustrative purposes only and form no part of the claimed design;

FIG. 2 is a front perspective view of the chocolate cup shown separately for clarity of disclosure, the undisclosed rear perspective view being a mirror image;

FIG. 3 is a front perspective view of the holder shown separately for clarity of disclosure, the undisclosed rear perspective view being a mirror image; and,

FIG. 4 is a side elevational view thereof, taken from the direction of line 4—4 in FIG. 1, the opposite side elevational view being a mirror image.

The undisclosed bottom of the article shown in FIGS. 2 and 3 is understood to be plain and unadorned.
