[57] CLAIM

The ornamental design for a combined ceiling fan and light fixture assembly, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a combined ceiling fan and light fixture assembly showing my new design; FIG. 2 is a bottom front perspective view thereof; FIG. 3 is a front perspective view thereof, the other sides being substantially identical except for the upper leaf members; FIG. 4 is a top plan view of an enlarged scale of a combined ceiling fan and light fixture assembly shown with the canopy removed for clarity of illustration; and, FIG. 5 is a bottom perspective view thereof. The cross-hatching in FIGS. 1-5 represents a fabric mesh and is understood to extend uniformly throughout the areas represented in FIGS. 1-3 and 5. The fan blades have been shown broken-away in FIGS. 1-5 to indicate indeterminate length.
