[57] **CLAIM**

The ornamental design for a housing for a child swing motor, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a housing for a child swing motor, showing my new design; the broken lines are for environmental purposes only and form no part of the claimed design;

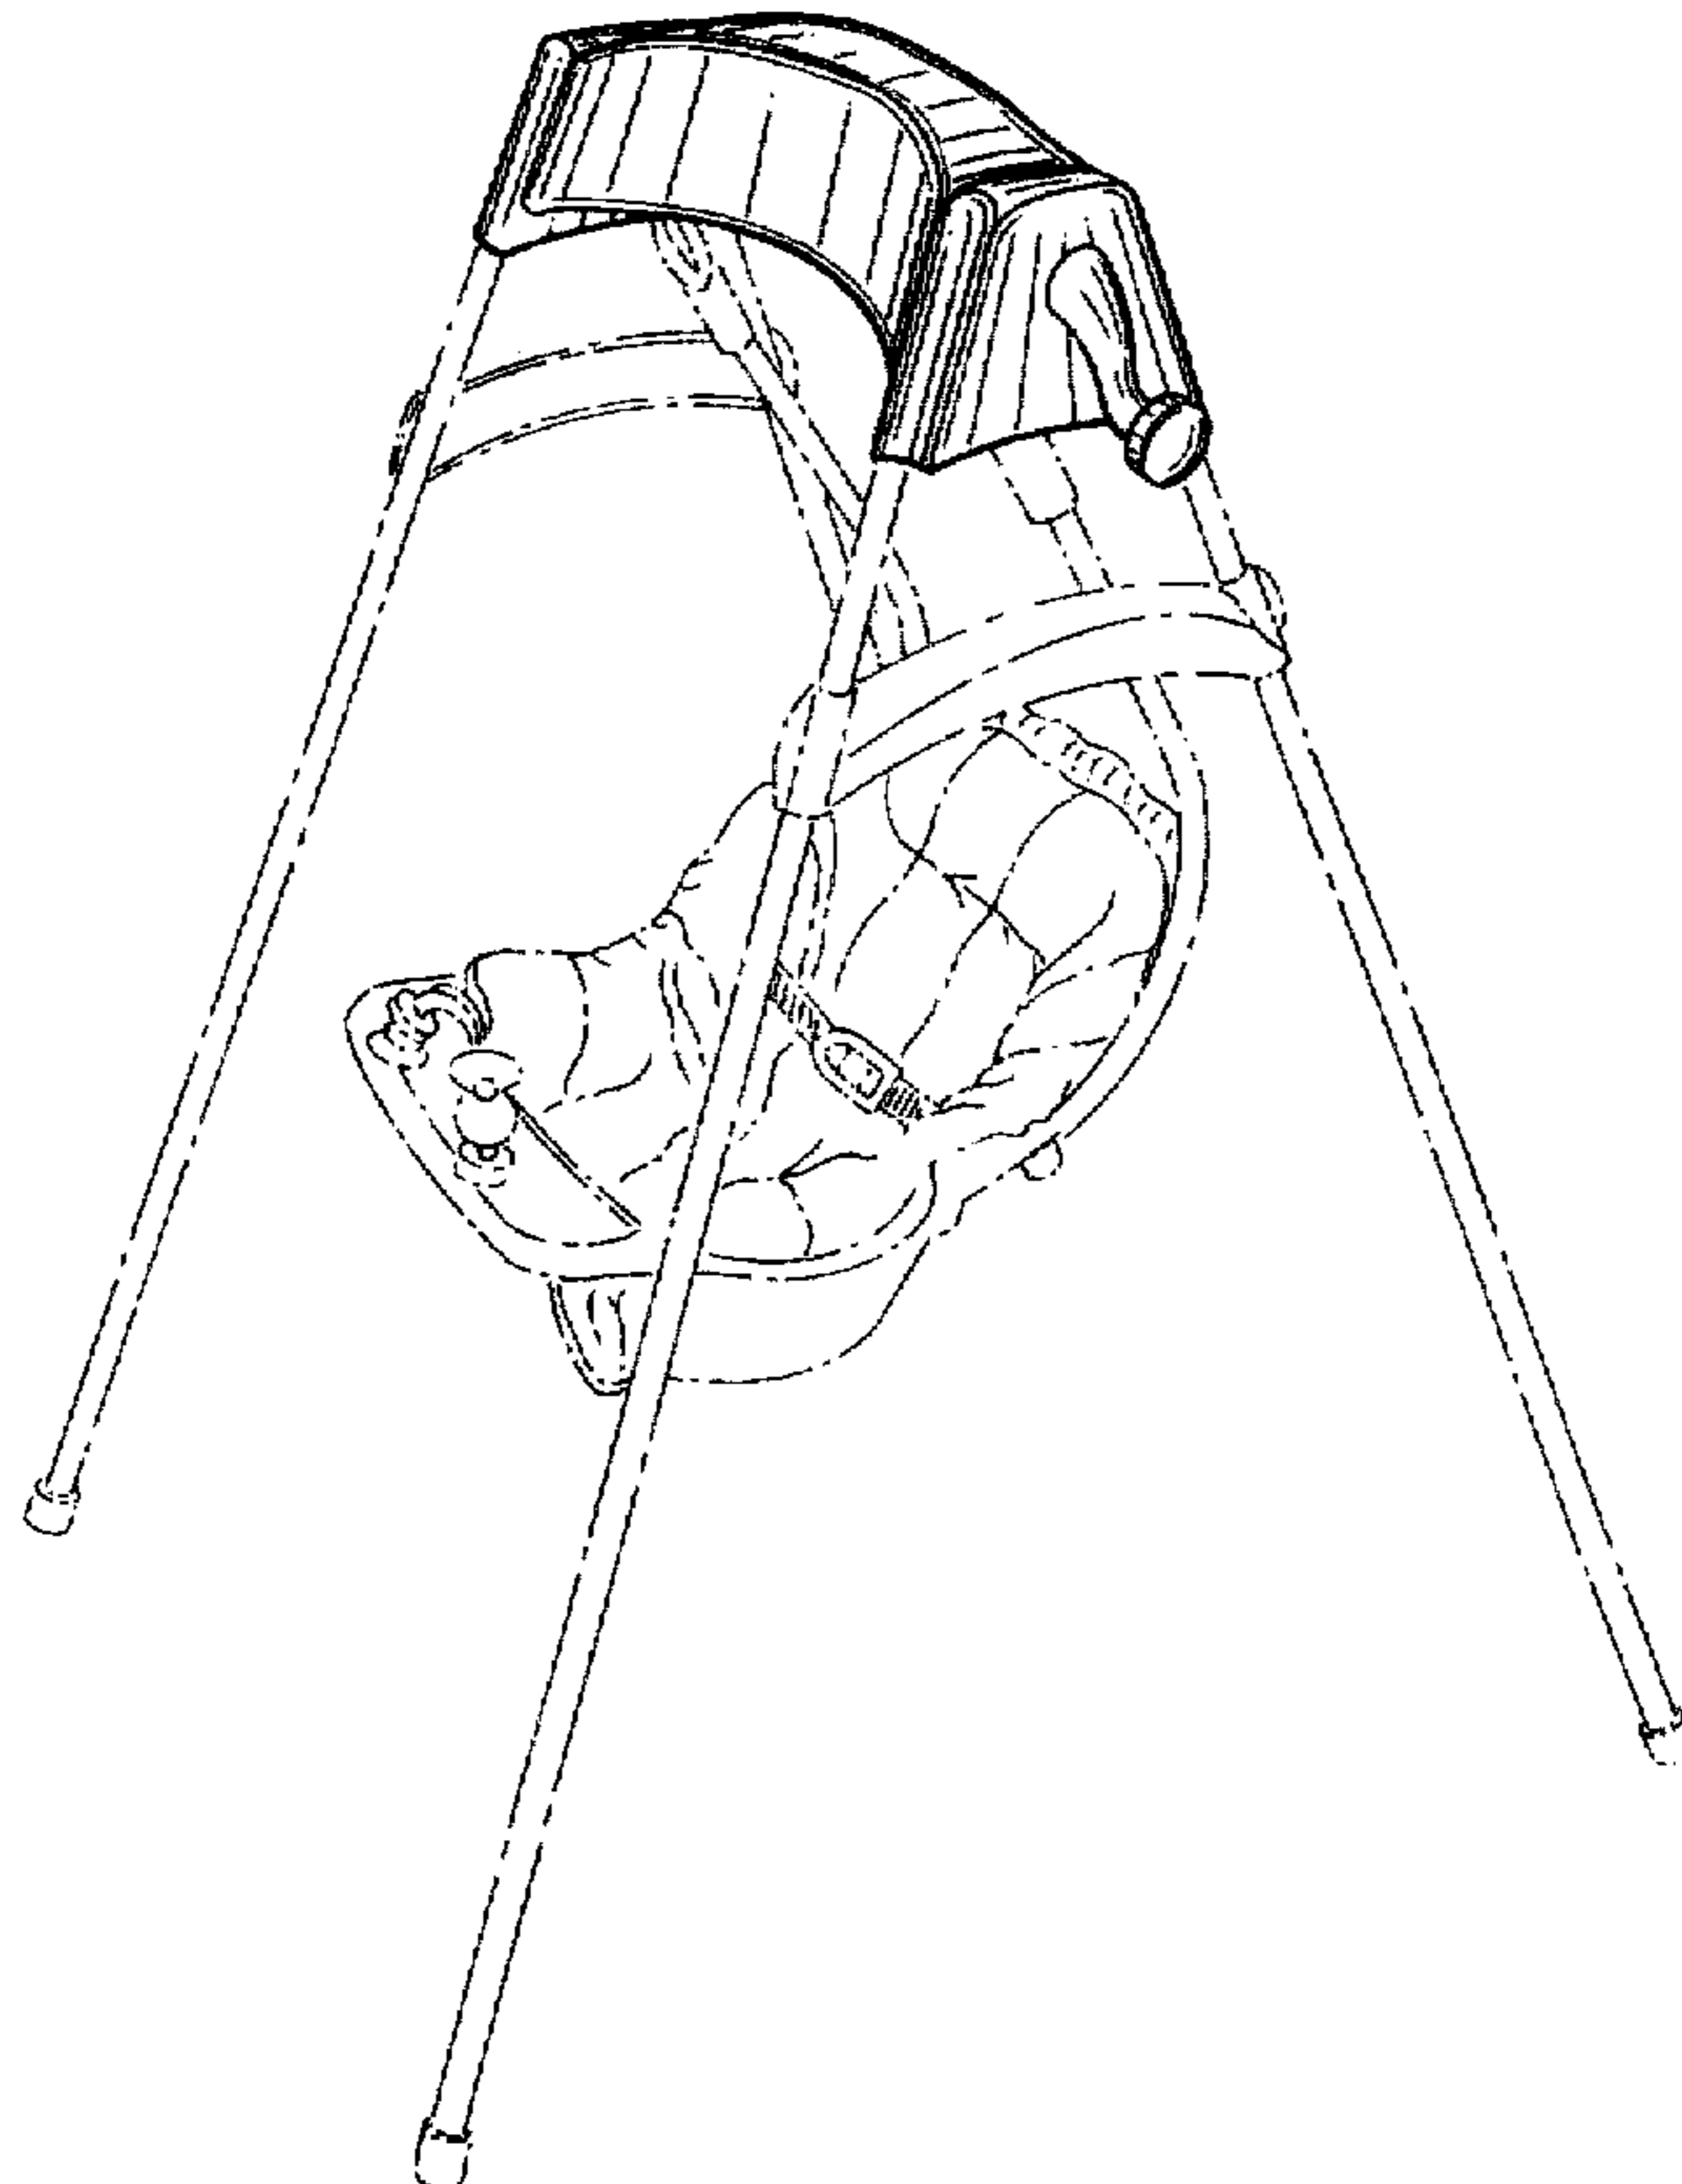

FIG. 2 is a front view of the housing for a child swing motor; FIG. 3 is a back view of the housing for a child swing motor; FIG. 4 is a right side view of the housing for a child swing motor showing the motor wind-up handle;

FIG. 5 is a left side view of the housing for a child swing motor;

FIG. 6 is a top view of the housing for a child swing motor; and,

FIG. 7 is a bottom view of the housing for a child swing motor.
